THE CHARM OF MOTHERHOOD

Enhanced By Perfect Physical Health.

The experience of Motherhood is a trying one to most women and marks distinctly an epoch in their lives. Not one woman in a hundred is prepared or understands how to properly care for herself. Of course nearly every woman nowadays has medical treatment at such times, but many approach the experience with an organism unfitted for the trial of strength, and when it is over her system has received a shock from which it is hard to recover. Following right upon this comes the nervous strain of caring for the child, and a distinct change in the mother results.

There is nothing more charming than a happy and healthy mother of children, and indeed child-birth under the right conditions need be no hazard to health or beauty. The unexplainable thing is that, with all the evidence of shattered nerves and broken health resulting from an unprepared condition, and with ample time in which to prepare, women will persist in going blindly to the trial.

Every woman at this time should rely upon Lydia E. Pinkham's Vegetable Compound, a most valuable tonic and invigorator of the female organism.

In many homes once childless there are now children because of the fact that Lydia E. Pinkham's Vegetable Compound makes women normal, healthy and strong.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

Baker to Rejoin Athletics.—Kent county fans will be glad to know that J. Franklin Baker, of whom all the Eastern Shore is proud, will return to the Philadelphia Athletics next year, Manager Trappite arrived at an agreeable conclusion this week, whereby Baker will rejoin the athletics. It is believed, however, that Baker will not cover the third corner for the White Elephants, but will be traded to some other team. Fans are glad, though, that Baker has finally consented to again make his appearance in big league base ball.

"The Thinkers of the Country Are the Tobacco Chewers"—

said one of the greatest thinkers this country ever produced.

Here's Sense!

Farmers just use the same good judgment in choosing your tobacco that you do in raising and selling your crops. Chew a *mild* tobacco.

What's the use of letting a strong, rank tobacco jangle your nerves? PICNIC TWIST tastes better and is *milder*—lots milder.

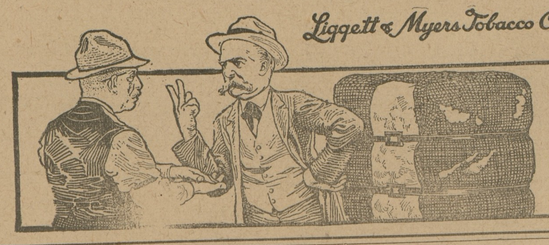

You can chew it all day without over-chewing.

The specially selected tobacco leaves that go into PICNIC TWIST are the finest, mellowest obtainable and of the best chewing kind.

PicNic Twist 5¢
CHEWING TOBACCO

The air-tight drums of eleven 5c TWISTS should be in the home of every man who likes good, mild chewing tobacco.
