In sad and loving remembrance of my dear mother, MOLLIE CARR, who died Dec. 15, 1914.

One sad and lonely year has passed
Since my dear mother breathed her last;
Oh, how we miss her from her place,
But hope some day to see her face.

Although she is absent from me,
And one weary year has fled.
Since I stood by her bed in sorrow,
And knew my mother was dead.

I never can forget you, dear mother,
While in this world I stay;
And my heart has never been the same
Since the day you passed away.

WHAT CATARRH IS

It has been said that every third person has catarrh in some form.

Science has shown that nasal catarrh often indicates a general weakness of the body; and local treatments in the form of snuffs and vapors do little, if any good.

To correct catarrh you should treat its cause by enriching your blood with the oil-food in Scott's Emulsion which is a medicinal food and a building tonic, free from alcohol or any harmful drugs. Try it.
