PRINCE ALBERT

the national joy smoke

is such good tobacco you feel like you could *just eat the smoke!*

Yes, sir, P. A. puts a razor edge on your smoke-appetite-division that's nobby enough to be photographed! No other pipe and cigarette tobacco can be like Prince Albert, because *no other tobacco can be made like Prince Albert.* The patented process fixes that—and removes the tongue-bite and throat parch! Let *that* digest!

The toppy red bag, 5c

And that line of conversation is 24 kt., whether you play P. A. in your old jimmy pipe or roll it into a makin's cigarette. For you can put your little old blue-pencil O. K. right here that Prince Albert is a regular double-header for a single admission—as joy'us to your tongue and taste one way as the other!

Will the "rollers" kindly step forward for a spell and get some of this listen into their systems? Because Prince Albert certain and sure jams more joy into a makin's paper than ever before was figured up on two hands!

In the plain language of the hills, you can't any more resist such makin's tobacco than a bullfrog can pass up a piece of red flannel! Because P. A. hands to you *everything any cigarette roller ever dreamed-out*—rare flavor, and aroma, and mildness, and body; absolutely the best bet—the best smoke you or any other man ever did roll and put the fire to! Men, we tell you to wise up.

P. A. is crimp cut and stays put—which means rolling P. A. is as easy as falling off a log. And it's good to remember P. A. is put up in the toppy red bag especially for you "rollers." Sells for the price of a jitney ride, 5c.

Now, will the "pipers" kindly open both ears?

Here's tobacco that has made it possible for *three* men to smoke pipes where *one* smoked before!

Any way you hook it up, Prince Albert is *tobacco insurance!* Yes, sir, it guarantees your future as well as your *present* smokings! And just makes your tongue so jimmy pipe joy'us that your smoke appetite grows whopping big. You men who "dassn't," we say you go to P. A., *natural-like!* Because there isn't a bite in a barrel of this national joy smoke.

Unlimber your old jimmy pipe! Dig it out of the dark corner, jam it brimful of P. A. And make fire with a match! Me-o-my!

The tidy red tin, 10c

You get acquainted with Prince Albert in the toppy red bag, 5c; or tidy red tin, 10c, but for the double-back-action-joy, you buy a crystal-glass pound humidor. And then you're set! You see, it has the sponge-moistener top and keeps P. A. at the highest top-notch point of perfection. Prince Albert is also sold in pound and half-pound tin humidors.

THE PRESIDENT'S WEDDING

Presents So Numerous That Plans For Classifying Them Must be Changed —Those of Value From Persons Unknown To Principals Will Be Returned.

Washington, Dec. 18—President Wilson and Mrs. Edith Bolling Galt were married at 8.30 o'clock tonight and left afterward to spend their honeymoon at Hot Springs, Va. The President and his bride traveled in a private car attached to a special train leaving here at 11 10, which is due to arrive in Hot Springs tomorrow at 8 15 A. M.

At Hot Springs Mr. and Mrs. Wilson will live at the Homested Hotel until after New Year's unless some development should necessitate the President's earlier return to the capital. Two of the White House automobiles have been sent on ahead and the couple expect to spend their honeymoon motoring, golfing and walking over the mountain trails Beside the Secret Service guard the party was accompanied by one stenographer. The President will keep in touch with the White House over special wires.

Everything was in readiness for the ceremony when the President arrived and it proceeded without music. Neither the President nor Mrs. Galt had any attendants and there were no ushers or flower girls. Neither the army, the navy nor the diplomatic corps was represented and the occasion was essentially what both of the couple had wished it to be—a home wedding.

On the first floor of the bride's home, in two communicating rooms, a wedding bower had been arranged with a background of farleyence and maidenhair ferns which extended from the floor to the ceiling. Overhead there was a canopy of green in the form of a shell lined with Scotch heather. In the background and at the centre was placed a large mirror framed with orchids and reflecting the scene. Above the mirror was a spray of orchards across a background of ferns and the corners of the canopy were caught with orchids. American Beauty roses were on both sides of the canopy, beneath which was a prayer rug, on which President Wilson and Mrs. Galt knelt during the ceremony.

Just at the hour set for the ceremony the President and his bride appeared at the head of the staircase, which was decorated with ferns, asparagus vines and American Beauty roses. They descended to the lower floor, where the guests were grouped about informally.

The Rev. Herbert Scott Smith, rector of St. Margaret's Protestant Episcopal Church, of which the bride is a communicant, was waiting beneath the canopy to perform the ceremony, and with him to assist was the President's pastor, the Rev. James H. Taylor, of the Central Presbyterian Church.

Mrs. William H. Bolling, the bride's mother, gave her away.

After the ceremony the entire party went to the dining room, where a buffet supper was served. The decorations there were in pink and on the buffete were banked growing ferns and pink roses. The tables were decorated with Lady Stanley rose blossoms. On a table in centre was the wedding cake—a fruit cake several layers high, ornamented with sprays of pink orchards in the centre. Mrs. Wilson cut the cake without formality, and no arrangement was made for bestowing bits of it upon others than those in the wedding party.

Bride In Traveling Dress.

During the ceremony and at the luncheon afterward, during which a stringed orchestra played, the bride wore her traveling dress, a black silk velvet gown, with a picture hat of black beaver with no trimmings whatever except one feather slightly upturned on the left side. At her throat she wore the President's wedding gift, a magnificent diamond brooch.

The skirt of her gown was of walking length and cut on full lines. The waist had silken embroidery of blue shading from the deep tones of royal blue to delicate shades of pastel and was threaded with silver.

The lower part of the waist was embroidery on black net over a band of silver in the design of lilies, below which was a girdle of black velvet. The sleeves of the gown were of black net, fashioned in tiny tucks with long bell-shaped cuffs of embroidered velvet, which came well down over the hand. Her collar, which was high and upstanding, was of black lace. When she left on her honeymoon journey Mrs. Wilson wore over her gown a fur coat of broad tail with bands of Yukon and muff to match. She wore a chin chin collar.
