EVENT OF THE SEASON

The Coming of Ruth

A DRAMATIC CANTATA

BY WILLIAM T. NOSS

Lyceum Theatre, Chestertown, Maryland

Tuesday and Wednesday, Feb. 22 and 23, 1916

BY THE CHESTERTOWN CHORAL AND DRAMATIC CLUB

This production out rivals "Queen Esther" which was given by this club to crowded houses last year. This is a work of art of exceptional merit, a fascinating and instructive presentation and portrayal of Biblical story, dramatic incident and human sympathy. "The Coming of Ruth" is a work in which the fineness of conception, beauty of thought and expression is short of an inspiration. It is great for what it says in song and story, greater yet for what it is in fact and fancy; attractive costumes, rich in color gorgeous in effect. Splendid solos, duets, trios, quartettes, quintette, sextettes and choruses. THE BEST AND MOST ELABORATE PRESENTATION OF DRAMATIC CANTATAS EVER WITNESSED HERE.

Will Pay Million For Steamers

The forthcoming sale of the B. C. & A., and M. D. & V. steamer lines will be absolute and there will be no further connection with the railroads. The sale committee has named a minimum price at which these properties should be sold, and it is the intention to sell them to some company as a whole. The valuation is several million dollars and there are three prospective purchasers for the properties. The sale will be conducted privately and there will be no auctioneering of the property.

WHILE Mrs. John Reed, of Seaford, Del., was preparing dinner last Monday the water-back on the boiler of her range exploded with a savage report, Mrs. Reed was injured painfully and the kitchen was wrecked. The range and the cooking utensils on it were blown to pieces and thrown around the room. A portion of the boiler was thrown several feet and was hurled past the woman's head.

It is believed that the water in the boiler pipes had frozen, and when the range was heated steam generated rapidly and had no outlet. The pressure was great and the explosion followed. The room was filled with steam and Mrs. Reed was burned as well as bruised.

THE mercury went down to 5° Monday and 6° Tuesday. There was no boat on Tuesday but the boat arrived Thursday without much difficulty. Good sleighing was enjoyed in Chestertown Tuesday and five fast horses were on the "track." Messrs. Joseph Lambert, Robert J. McWhorter, W. C. A. Thompson, Henry Hughes and Thomas Matthews pulled the reins over speedy goers.

THE school bills introduced at Annapolis includes one at Galena and Fairlee for white schools and one at Chestertown for colored schools. Galena is provided $9,500; Fairlee, $5,500; Chestertown, $5,000. Dr. E. A. Scott, S. G. Caldwell, Irving L. Dempsey, John Quinn and J. L. Smyth are committee for Galena; W. G. Smyth, Mahlon P. Lee, Harry Rash, H. C. Willis and J. L. Smyth for Fairlee; John C. Davis, T. G. Wroth, J. L. Smith, C. L. Dodd and C. S. Smith for Chestertown. A referendum is attached.

For years Mr. Milby had been a sufferer with tuberculosis and his death had been expected for a year or more. He was 31 years of age.

During his long illness his wife was always by his side—a patient and loving nurse in his affliction. He was well known here where he had a host of friends who express their heartfelt sympathy for his wife and children.

He leaves, besides his wife, who was before marriage Miss Ivens, daughter of Mrs. S. A. Ivens, two daughters.

Bowers entered into rest on February 5, 1916, at 4.45 a. m., was buried from the home of his brother and sister, 419 Washington street, Wilmington, Del., and was interred in Silverbrook Cemetery. He was a native of Kent county, Md., and a son of James L. and Rebecca R. Bowers, born at the old Bowers' homestead on June 29, 1856. He was never married. He leaves two sisters, Mrs. Joseph E. Reed, Lebanon, Del., Mrs. Lizzie B. McCauley, Wilmington, Del., and three brothers, Charles F., William L. and Isaac W. Bowers, all living in Wilmington, Del.

Mr. James McCann died near Chestertown, Wednesday, in his 79th year. The interment took place at Wesley Chapel Cemetery yesterday.

Planting Seeds of Success

¶ As the farmer plants seed in the springtime for the harvest in the fall, so the person who would achieve success in any undertaking must prepare far in advance.

¶ Starting a bank account, no matter how small, is one of the first steps toward success. To plant the seeds of success, save SYSTEMATICALLY and PERSISTENTLY.

¶ The very habit of saving, however small the visible results at first, leads to independence and aids in attaining success.

¶ The Officers of this Institution are at all times glad to talk persons about "planting the seeds of success."
