6,000 CARS OF SUGAR ON WAY

Consignment From Hawaii Is Valued At $85,000,000.

Chicago, March 5 —The first trainload of what is said to be the largest transcontinental shipment of a single commodity ever made passed through Chicago yesterday.

It was sugar from Hawaii. The entire consignment, most of which goes to New York refineries, weighs 250,000 tons, is valued at $25,000,000 and the freight charges will be in the neighborhood of $3,000,000.

The entire consignment will require 6,000 freight cars, or 120 solid trains. The movement, which will require three months to complete, was made overland because of the blocking of the Panama Canal.

The first trainload left San Francisco February 24th and is due in New York next Tuesday. A small part of later shipments will go to Philadelphia.

MAYBE you are a movie fan and maybe you are not. If you are not it is all the more reason you should see "The Spoilers" which will be shown at the Lyceum Theatre next Tuesday, March 14, afternoon and night. Movies may come and go but those who see "The Spoilers" will always remember it as the best, bar none, ever seen. One wonders how the producers could take Rex Beach's popular book, by the same name, and reproduce it so faithfully on the screen. To describe the picture and do it justice is impossible. From the time that Helen Chester arrives in Alaska and takes such a prominent part in the business and personal affairs of Glenister and Dextry, to the final scene, which is beautiful in every sense of the word, "The Spoilers" is a vividly told story for those who appreciate red blooded men and women. Every phase of human emotion is shown and in such a manner that it gives a lasting impression.

ROCK HALL

My, such a surfeit of Billy Sunday admirers and criticisers! A plenty are here about. If the enthusiasm kindled in the minds and hearts of "we uns" by the notes of the Sunday campaign will make us rally the greater to the support financially and spiritually of our home preachers, we will possess our souls in patience and bid the campaign God speed.

Rev. J. W. Prettyman on Sunday morning preached a highly edifying sermon on every day religion from the text "And Enoch walked with God, and he was not, for God took him."

Mr. Carroll Davis and family of near Chestertown, visited his mother who is sick and other relatives here on Sunday.

Messrs. Frank Joiner and Maurice Dowling moved their families to Baltimore this week. This makes 52 families who have moved from this section within the past 6 months. Seven or eight more families are ready to move as soon convenient for them to do so. Others will move later in the spring. Total number of families moved will then be about sixty.

Mr. E. E. Leary's state road article in last week's paper was conciltory and to the point. Why not get the pros and cons together and have an ocular demonstration of the different routes and agree on one, and press that to a conclusion, then the powers that be will know where we are at. Views on paper are alright, discussion on the form is good, but these need backing up with united effort when the talk is over.

A number of our watermen left here this week for Betterton where they will engage in fishing for rock and shad.

A citizens meeting in the interest of the hoped for extension of railroad facilities to this place was held in Jr. O. U. A. M. Hall on Wednesday evening.

Messrs. W. R Downey, Max Alexander and J. D. Ayres, as a delegation, visited Baltimore on Monday to confer with Capt. Willard Thompson in reference to the continuation of the steamer line. They were cordially received, but Capt Thompson could give them no definite information on the matter. He told them the matter was up to the commercial interests of the city.

Lenten services will be held every Wednesday during the season of Lent.

The young men of the village gave a dance last Monday evening, at "Home Cottage."

Rev. R. P. Nichols, gave an interesting and instructive lecture, on Porto Rico, last Tuesday evening in the M. E. Church. As Mr. Nichols had spent some time at Porto Rico, his discourse was based upon real facts.

Come In and Look Around.
Nothing Over 10 Cents

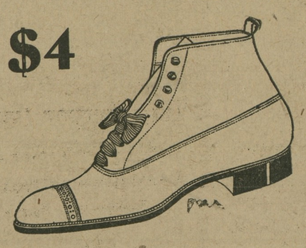

To the Farmers of Kent County.

Why should THOUSANDS of dollars of waste lie about farm yards year after year deteriorating when it should turn cash into the FARMER'S POCKET BOOK and yield a profit to the waste dealer? The farmer has got it in for the junk man and will not do business with him. I find this true in many localities. The rag man has prostituted his business with raw deals, yet his business is as honorable as that of the grocer, merchant or professional man, and I know there are a lot of pedlars who are doing business at a great profit and give no encouragement to the FARMER or the LADY OF THE HOUSE to save the junk that accumulates. Therefore, it is burnt up or allowed to lay around.

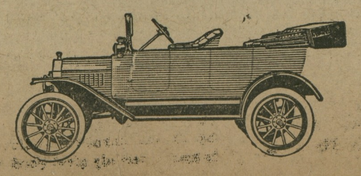

This is not true in Talbot county, as I have been in the JUNK BUSINESS IN EASTON FOR 27 YEARS and have made it a point to pay at all times what the market would justify to make a legitimate profit for myself and by doing so I have succeeded in building up a business that is profitable to the FARMERS and a substantial business for myself. I pay the people of TALBOT COUNTY for their accumulation of Rags, Rubber, Bones, Iron, Brass, Zinc, Copper, Lead, Paper, Feathers, Cow Hides, Horse Hides, Sheep Skins $10,000 per year, and it is safe to say that is more than any FIVE COUNTIES have realized and it is due to the fact that you have not had a PERMANENT DEALER in your county, and the pedlar that is here today and gone tomorrow HAS NO PRICE, buys it as cheap as he can and he does not care what the future brings.

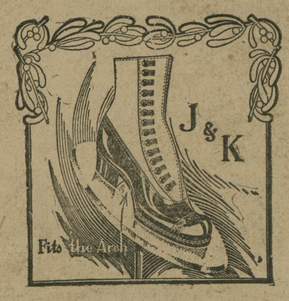

I have rented from Smith Bros., in Chestertown, a shop opposite the Davis & Satterfield Hardware and across from the R. R. Station, and expect to maintain a place where the FARMER and the PEOPLE can bring their junk and dispose of same at what it is worth and get weight and get the same price that the pedlar gets, as I PAY THE SAME PRICE TO EVERYBODY FOR JUNK DELIVERED TO MY SHOP. My shop will be open every day and a man to wait on you and pay you the cash for all stuff brought between the hours of 7 o'clock a. m. and 6 p. m. except Sunday. Look for my prices on 1st page of this issue.
