Chestertown-Elkton Auto Bus Route

For the convenience of the traveling public, we have established an Auto Bus Route from Chestertown to Elkton, running two machines, each machine making two round trips daily, except Sunday, and by using this route, you can leave home later, have more time in the city, save in car fare, and be home early in the evening.

Our early Bus from Chestertown and late bus from Elkton will be an enclosed nine-passenger bus, and in order to make this venture a success, we solicit the patronage of the traveling public.

To the Farmers of Kent County

Why should THOUSANDS of dollars of waste lie about farm yards year after year deteriorating when it should turn cash into the FARMER'S POCKET BOOK and yield a profit to the waste dealer? The farmer has got in for the junk man and will not do business with him. I find this true many localities. The rag man has prostituted his business with raw als, yet his business is as honorable as that of the grocer, merchant or ofessional man, and I know there are a lot of pedlars who are doing busi- ss at a great profit and give no encouragement to the FARMER or the LADY OF THE HOUSE to save the junk that accumulates. Therefore, it is burnt up or allowed to lay around.

This is not true in Talbot county, as I have been in the JUNK BUSINESS IN EASTON FOR 27 YEARS and have made it a point to pay at all times what the market would justify to make a legitimate profit for myself and by doing so I have succeeded in building up a business that is profitable to the FARMERS and a substantial business for myself. I pay the people of TALBOT COUNTY for their accumulation of Rags, Rubber, Bones, Iron, Brass, Zinc, Copper, Lead, Paper, Feathers, Cow Hides, Horse Hides, Sheep Skins $10,000 per year, and it is safe to say that is more than any FIVE COUNTIES have realized and it is due to the fact that you have not had a PERMANENT DEALER in your county, and the pedlar that is here today and gone tomorrow HAS NO PRICE, buys it as cheap as he can and he does not care what the future brings.

I have rented from Smith Bros., in Chestertown, a shop opposite the Davis & Satterfield Hardware and across from the R. R. Station, and expect to maintain a place where the FARMER and the PEOPLE can bring their junk and dispose of same at what it is worth and get weight and get the same price that the pedlar gets, as I PAY THE SAME PRICE TO EVERYBODY FOR JUNK DELIVERED TO MY SHOP. My shop will be open every day and a man to wait on you and pay you the cash for all stuff brought between the hours of 7 o'clock a. m. and 6 p. m. except Sunday. Look for my prices on 1st page of this issue.

WHY WOMEN WRITE LETTERS

To Lydia E. Pinkham Medicine Co.

Women who are well often ask "Are the letters which the Lydia E. Pinkham Medicine Co. are continually publishing, genuine?" "Are they truthful?" "Why do women write such letters?"

In answer we say that never have we published a fictitious letter or name. Never, knowingly, have we published an untruthful letter, or one without the full and written consent of the woman who wrote it.

The reason that thousands of women from all parts of the country write such grateful letters to the Lydia E. Pinkham Medicine Co. is that Lydia E. Pinkham's Vegetable Compound has brought health and happiness into their lives, once burdened with pain and suffering.

It has relieved women from some of the worst forms of female ills, from displacements, inflammation, ulceration, irregularities, nervousness, weakness, stomach troubles and from the blues.

It is impossible for any woman who is well and who has never suffered to realize how these poor, suffering women feel when restored to health; their keen desire to help other women who are suffering as they did.

HOSIERY

We are, as we have always been, headquarters for hose. We have children's hose, the best that money can buy, for 15c per pair, or 2 pairs for 25c. They are hard to tell from the regular 25c a pair quality. We have a special grade of ladies hose, medium weight and great wearers, at 3 pairs for $1.00.

CORSETS

The best advertisement on earth that a man can have is a satisfied customer. A lady whoever puts on a pair of Bon Ton or Royal Worcester Corsets is certainly satisfied and comfortable and she tells her friends and neighbors. That's the cause of our immense sale.

GROCERIES

This is the season of the year for parties and when giving one you always want nice things to eat. We have the best at all times. Why pay a high price for second grade goods when you can get the best here.

We use coffee as our leader. We have a special grade of coffee which are selling at 20c a pound and which cannot be duplicated at any other store for less than 25c a pound. Our 28c quality, our customers say, is as good as they are used to paying 35c a pound for. Try a pound, and if not satisfied no charge will be made for it

DR. GEO. WELLS FOR DAVID J. LEWIS

"First Last And All The Time"—Declares Veteran Leader of Anne Arundel Democratic Party.

Congressman David J. Lewis this week publicly received the strongest endorsement of his candidacy for the United States Senatorship from Maryland that could possibly be given him from Anne Arundel county, when Dr. George Wells, who ordinarily does not give interviews, gave on during the course of which he said: "I am for Lewis; first, last and all the time."

"Make my endorsement of Mr. Lewis' candidacy and of his record strong," said Dr. Wells. "In the first place, Mr. Lewis is a good Democrat all the way through. He is able and has shown the people of the State of Maryland and of the United States too, just how great his ability is. Another of his excellent qualities which should appeal to the people whose interest he is asking, to represent in the United States Senate, is his known fearlessness and his aggressiveness to go after and get the things his constituents want and need and the country wants and needs.

"Mr. Lewis has still another excellent quality; when he makes a promise or gives a man his word, he can be depended upon to the last to keep the promise and redeem his word. I am for him, first, last and all the time."

While Dr. Wells' endorsement of Mr. Lewis is something that will unquestionably put the Western Marylander very solidly in the running, there is and as been for some time, a growing sentiment among the rank and file of the voters of the whole county in favor of him.

Not only the organization forces but the rural sections of Anne Arundel county have been looking favorably upon Mr. Lewis for some time past. His candidacy is steadily growing in favor with the party men, and will, it is felt, continue to win advocates up to the time of the balloting.
