KENT NEWS, the people's favorite, $1 per year.

Which costs most—painting or waiting?

After your house needs painting, every year you wait it will require more paint and more labor to put it in good condition. And every year you wait, your house is worth less. A little paint-money is good paint-insurance.

DEVOE

LEAD AND ZINC PAINT
FEWER GALLONS - WEARS LONGER

Just as soon as your house needs painting, come in and let us show you how little it will cost you to use DEVOE.

We say "DEVOE" because it's absolutely pure.

That's why DEVOE takes fewer gallons, wears longer—and costs less by the job or by the year.

And that's why we guarantee Devoe without reserve.
