WHAT CATARRH IS

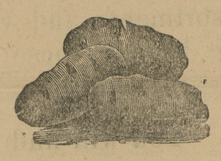

It has been said that every third person has catarrh in some form.

Science has shown that nasal catarrh often indicates a general weakness of the body; and local treatments in the form of snuffs and vapors do little, if any good.

To correct catarrh you should treat its cause by enriching your blood with the oil-food in Scott's Emulsion which is a medicinal food and a building tonic, free from alcohol or any harmful drugs. Try it.

IN THE SOUTHERN COUNTRIES

Easter Celebrations Have Their Own Arrangements, Which Reflect the People's Ideas.

Throughout Cuba and Central America, the presence of soldiers dignifies the clumsy quaintness of the Easter celebrations. Crowds gather early in the plazas to watch the life-sized, waxen image of Jesus borne out of the cathedral on a high-draped platform. Acolytes, bearing censors, precede it, and behind it trail clouds of priests bands and flags. The procession moves slowly through a main thoroughfare until it meets a second figure, resplendent in blue paint, curls and finery. There is a pause as the two figures confront each other. Then the second—Mary Magdalene—is turned laboriously about and gallops away with its joyful news. It encounters a third figure, painted yellow and decked with gold, as befits the Latin-American conception of the Virgin Mary. With the gilded figure leading, the two Mary trot back through the crowded streets to the first image. As the three meet, their draped platforms tip forward in solemn, silent bows, while thousands of awed believers watch in silence. Forming into line, the three images are borne back to the cathedral, the troops fire a salvo, and the Easter services begin.

GIRL COULD NOT WORK

How She Was Relieved from Pain by Lydia E. Pinkham's Vegetable Compound.

Taunton, Mass.—"I had pains in both sides and when my periods came I had to stay at home from work and suffer a long time. One day a woman came to our house and asked my mother why I was suffering. Mother told her that I suffered every month and she said, 'Why don't you buy a bottle of Lydia E. Pinkham's Vegetable Compound?' My mother bought it and the next month I was so well that I worked all the month without staying at home a day. I am in good health now and have told lots of girls about it."—Miss CLARICE MORIN, 22 Russell Street, Taunton, Mass.

Thousands of girls suffer in silence every month rather than consult a physician. If girls who are troubled with painful or irregular periods, backache, headache, dragging-down sensations, fainting spells or indigestion would take Lydia E. Pinkham's Vegetable Compound, a safe and pure remedy made from roots and herbs, much suffering might be avoided.

Write to Lydia E. Pinkham Medicine Co., Lynn, Mass. (confidential) for free advice which will prove helpful.
