How to Cure Coughs and Colds.

Keep out of Drafts. Avoid Exposure. Eat and Live Right and Take Dr. King's New Discovery.

You catch cold because your system is below normal and finds itself unable to throw off the cold germs. To recover you should first take a remedy to kill the germs. Then be careful of your eating. Avoid exposure. Go to bed early and save your strength in every possible way. To kill the germs take Dr. King's New Discovery.

Just the minute Dr. King's New Discovery touches the cold germs they begin to shrivel and die. Your irritation ceases. The cough eases and you begin to get better. Dr. King's New Discovery is just laxative enough to expel the dead germs and poisonous secretions.

The ingredients in Dr. King's New Discovery make it an excellent cough and cold remedy. Don't endure the annoyance of coughs and colds. Don't keep on suffering. Don't take the risk of more serious illness. Take Dr. King's New Discovery. Watch your eating and habits. You will find your cough and cold under easy and natural control and be assured of a speedy recovery. At all druggists.

Cayots Corner	.70	Locust Grove	.70
Chesapeake City	.80	Kennedyville	.80
Elkton	$1.00	Chestertown	$1.00

Drive It Into the Barn

AS we told you, a **Low Cloverleaf** gives the manure a double beating. It also **spreads manure eight feet wide or better.** But the wonderful thing is that it does this **from a box only 45 inches wide.** The spreader itself is so narrow that it can be driven into any modern barn and loaded from the gutters. Only one handling of the manure for the quickest, best job of spreading you ever did. How does that sound to you?

If you have even begun to think about buying a spreader, see this **Low Cloverleaf.** You will say you never saw a better manure spreader. It won't take long to look it over. Your dealer has one set up for you to see.

International Harvester Company of America

INTERESTING POMONA GRANGE MEETING HELD

Notwithstanding Saturday being the worst Pomona day we have ever had, quite a few attended the meeting. They were well paid for their trip. No closed session was held.

After a sumptuous dinner, the meeting was called at 1.45 o'clock. Sister Linda Morris acted as secretary protem. Bros. Walter Morris, E. C. Corey, Holt Woodall, Wm. Clendaniel, F. H. Cornelius, with Mr. Burrell, were appointed a committee to organize A Milk Producing and Cow and Milk Testing Association, the object being to stimulate interest in the farmers to improve their herds and to see that they got what was coming to them in prices and tests for butter fat.

Mr. Burrell said he could secure the presence of Mr. Wolcott, of the U. S. Dept. of Agriculture, to assist this committee, he being an expert along that line.

Pomona Grange went on record as opposing the bill that is now before the Senate limiting the weight of parcel post packages to 50 lbs. Also in favor of some bill that will establish a Rural Credits System that will be of the same benefit to the farmer that the Reserve Banks have been to small banks.

Bro Brigham gave a very interesting and instructive talk along the line of Boys and Girls Agricultural Clubs, Boys Corn Club would be organized in this county this year, he believes, the object of these clubs being to interest the boy and girl in the farm life and to learn by doing so. He congratulated the Pomona Grange on helping M. A. C. secure her appropriations. He said he was glad to see such a grange spirit manifested in Kent Co. and that nothing but good could come from it.

For the good of the Order, Sister Corey suggested that we not try to have such elaborate meals with expensive extras, but just good, plain, substantial food that the farms afforded without buying extras. Some of the ladies had little flags for sale for the Belguim relief fund. Each flag being 7 cents, the cost of rations to feed one Belgian one day. Most everyone bought one to assist the poor Belgian and keep him from starvation and to keep our Worthy Master from losing any flesh from loss of sleep.

At this point the Lecturer took charge of program on the question, "Have we members at present equal to the founders of the Grange?" Bro. Wm. G. Smyth said he believed the old founders gave deeper thought and consideration to their questions and problems than the farmers of the present day. That when they spoke they alway said something worth hearing.

Sister Corey gave two readings entitled "Our Ships" and "Our Boys" that were thoroughly enjoyed. Sister Cora Williams recited "Mirandy on Votes For Women" and "Specalty Jim" as an encore.

Bro. Burrell, our new Farm Demonstrator, gave a very interesting talk of his past plans and his future. His work will be effective here in Kent only as the farmers co-operate with him. Ask him anything you want or need to know along farm prolems and if he doesn't know he will find out for you. He is anxious and ready to help each farmer.

Bro Walter Harris spoke on the elevating effects of a grange in a community. Sister Evelyn Harris gave an account of her recent trip to Washington and what she learned in regards jelly making. Sister Fletcher gave a reading that caused a good hearty laugh, to prepare us for the supper that was waiting.

After supper the entertainment was in celebration of the eighth anniversary of Fairlee Grange.

The drill by 12 girls was splendid and had to be given twice. Mrs. Fletcher and little Miss Mildred Fletcher gave much enjoyed recitations. Some fine music, both instrumental and vocal, was rendered.

The next Pomona meeting will be held at Still Pond in July. Let us hope it won't snow.

C. L. WILLIAMS, Press. Cor.

WASHINGTON WINS

Wins The First Base Ball of Season From Rock Hill College By Score Of 18 To 5.

Washington College defeated Rock Hill College yesterday at Ellicott City by the score of 18 to 5. Schmidiger, whose work in the City College game in which he forced 22 to retire by the strike-out route, attracted the attention of Manager Jack Dunn, of the Orioles, was hit hard at opportune times. Then, too, Rock Hill played a ragged game in the field, contributing more than a dozen miscues.

Wilmer started for the visitors, but Rock Hill got to him in the third session and knocked him from the hill. He was succeeded by Brown, who hurled fairly good ball. Peddicord played excellent ball at first.

The score :

WASHINGTON COLLEGE.
