SISTERS THANKFUL FOR THEIR REUNION

Grateful to the News as the medium that brought about the union of herself and her sister after each had sought the other for 30 years, Mrs. Cameron Coleman of 1924 West Fairmount Ave., Baltimore, warmly expressed her thanks.

"I feel that I am greatly indebted to The News," she said, "and cannot find words to fit my gratitude. Sister and I might have lived years, even to our grave, without ever again meeting had it not been for a little query in The News on April 13 that resulted so fruitfully three days later.

On Sunday, April 16, Miss Sallie Clark of Golts, Kent County, the other of the two sisters that had been separated in childhood while they were inmates of St. Mary's Orphan Asylum, met Mrs. Cameron Coleman after the latter had completed a journey to her home. They were both soon locked in fond embrace, positive of their identity and thankful that their long search had reached such a happy climax.

Miss Clarke is now spending a week at Mrs. Coleman's home. Her stay there will continue to Tuesday, when she will depart for her Eastern Shore home.

AUTO TURNS OVER; MAN IS KILLED

One man was killed and four persons were badly bruised and choked last Sunday night when an automobile owned by Emory Gray, of Brooklyn, went over a 12-foot embankment on the Annapolis boulevard, 13 miles from Baltimore. The steering gear of the five-passenger machine is thought to have broken, according to the members of the automobile party.

The dead man is Wilbur Gray, 17 years old, driver, and son of the owner of the machine. The young man was pinned between the steering gear and the side of the car when it turned turtle.

The other passengers in the automobile—Miss Anna Little, daughter of Rev. Dr. F. T. Little, pastor of the Alnutt Memorial Methodist Protestant Church; Miss Elizabeth Farish, of Glenburnie; Rezin Hammond, of Snow Hill, and Lindsay Sacrey, of Annapolis—were more or less shocked and bruised.

Young Gray was driving the machine at a moderate rate of speed along the Annapolis boulevard. At Long Hill something snapped underneath the body of the car. The machine became uncontrollable and swerved to the side of the road, plunging over the embankment.

Miss Farish, who was seated in the front seat of the car, was hurled clear of the wreckage. The other passengers escaped injury.

Young Gray was the son of a well-known contractor and builder of Brooklyn and was a junior student at Baltimore City College. Besides his parents he is survived by two sisters and a brother (Calvin Gray).

THE SMALL POX SCARE

Just a few words regarding the small-pox situation in Wilmington. It should be remembered there is not now, nor has there been an epidemic of small-pox in Wilmington. The total number of cases reported to the end of last week was thirty-one, and of these several have already been cured. Much publicity has been given to the outbreak to impress local citizens that they should cooperate to prevent the situation becoming serious in any respect. The medical authorities unanimously agree that the precautionary measures were entirely successful. The Health Officers, with the assistance of the Police, worked night and day to maintain the quarantine regulations in every infected section and effectively checked the spread of the disease.

Further, it should be remembered that practically all of the small-pox patients have been removed to a properly quarantined hospital several miles from our city, and that this course was persued as rapidly as cases of the disease were discovered.

It cannot be too clearly understood that the stringent measures which were taken, such as closing the schools, theatres and saloons were precautionary measures only. The best medical opinion of the city agrees that with such thorough effort to prevent the further spread of the disease there should be no hesitancy on the part of anyone to visit Wilmington at the present time for the transaction of business.

ENRIGHT IN FINE FORM

Washington College advanced another step toward the State championship Saturday by defeating Mount St. Mary's 7 to 1. Enright, who was on the mound for the locals, pitched the best ball of the season. He had perfect control, allowing the Mountaineers only six hits. In the fifth sixth and seventh innings Enright struck out eight of the nine men who faced him. He fanned 15 men.

Washington started the scoring in the first inning. The other runs came in the third and eighth innings. Although McHugh, who was twirling for the visitors, was in good form, he was touched up for 12 hits.

He retired eight by the strikeout route. Captain Spedden and Frampton led in the batting, each getting three hits in five times up, while Pearson and Usilton each had two hits. Sadler, who played right field for the visitors, got two hits and scored the only run for his team.

Next Friday and Saturday the Washington boys will be away from home and will meet St. John's College and Western Maryland College, respectively. St. John's College has defeated Mount St. Mary's this season.

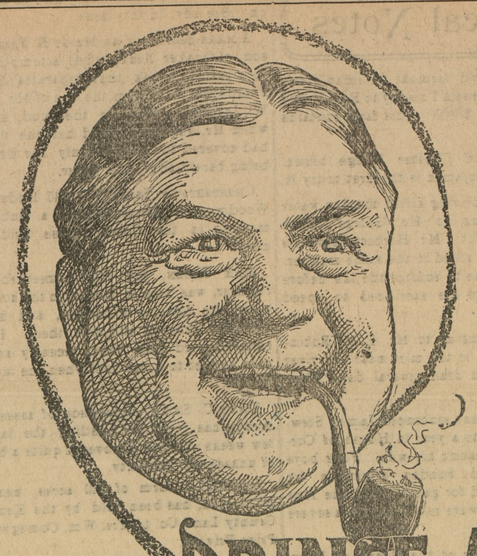

OBITUARY

In sad and loving remembrance of our dear brother, HARRY MCWHORTER, who was called home one year ago today, May 13th, 1915.

It was a bitter pain, a shock severe,
To part with the one we loved so dear;
You have won a crown in heaven,
By the pain you suffered here.
Had we been with you at the last
And held your dying hand,
And heard the last sigh from your heart
We would not feel so bad.
You are not dead to us, dear brother,
But as a star unseen
We feel that you are near us,
Though death intrudes between.
God called him home, it was his will,
But in our hearts we love him still;
His memory is as dear today
As the hour he passed away.

BY HIS LOVING BROTHER AND SISTERS.
