State of Maryland, Kent County, Sct.:

I Hereby Certify, That the within statement of expenses for Kent County is correct as per books of County Commissioner's Office for fiscal year ending June 12th, 1916.

In testimony whereof, I hereto subscribe my name and affix the Seal of the County Commissioners of Kent county this 12th day of June, A. D., 1916.

SAMUEL HICKS,
Clerk to County Commissioners.

In justice to ourselves as County Commissioners and to the taxpayers of Kent county, we call attention to some of the items which go to increase the rate.

In first, the Acts of 1916 increases the School Levy $6,000, a small increase in the Road Levy about $500, owing to small increase in source of revenue, these items were in the Cash Levy which are provided for by orders on the Treasurer and are paid in this fiscal year, also $4,000 for road equipments.

Next we refer to the increase in the Certificate Levy over last year, for instance, there are many taxes yet unpaid for one the Pennsylvania Railroad Company for the first time near $5,000 and many others are yet not paid, for that reason there had to be many more certificates issued and provided for.

The School Board's statement that they were financially embarrassed and if the Commissioners did not come to their rescue they would have to close the schools, the Board gave them $20,725, including interest, the Galena-Lambson State aided road was over $10,000. The increase over last year in Registrations and Elections was $3,770.

There was one other certificate of $5 000 to the school which was allowed in the Cash Levy and could not be paid in Orders, owing to the shortage in the Treasurer's collection.

Extra Road work played its part for over $2,000, so if the taxpayer will take the detailed statement which is in the upper corner in double column with last years Cash Levy and the Certificate Levy and take this years Cash and Certificate Levy which you will see published further on in single column and check them up you can see at once for your own satisfaction where it comes from.

County Commissioners.
