IT COMPELS THE ADMIRATION OF ALL

THE JAMES OLIVER No. 11 SULKY PLOW

By reason of its simple construction, light weight, easy draft, durability, and perfect work is

THE BEST PLOW YOU CAN BUY

SOME OF THE REASONS

The only sulky plow made with which you can turn either gee or haw equally well, leaving no hard spots, and avoid the necessity of plowing out corners.

It is the lightest draft riding plow made, due to the entire absence of landside friction and the even distribution of the load. The weight of the plow and driver is CARRIED instead of being DRAGGED along.

One share on the No. 11 will outlast four walking plow shares. It holds to the ground at all times, especially in dry weather. May be used with or without tongue. The turning and scouring qualities of the OLIVER PLOW BASES are unequalled.

Right after harvest you will be ready for your plow again. We have sold over 150 of No. 11 Oliver Sulky Plows within the last twelve months and will have what you may need for this Fall. Expecting another carload any day now

The Conquest of the Arctic

DR. WIRT.

Covering three years of life, adventure and exploration in the lands border ing the Circum-Polar sea, with Eskimos for companions and dogs for heroes Dr. Wirt's discoveries and explorations parallel in many respects those of other arctic travelers, but his interpretation of Eskimo life and the story of his dogs are absolutely unique.

His flight during the long night of an arctic winter in quest of relief for his sick, ice imprisoned companions; the almost human intelligence of his dogs; the Igloo village never before visited by white man; the strange customs, fetish dances and heathenish orgies of the Eskimo; the treachery of false guides; the awful silence and loneliness; the auroral splendors; his study of arctic bird and animal life; the escape from wolves; the attack of a whale while at sea in an open kayak and the final escape—all this and much more combine to make an unusually fascinating lecture.

Boy Choir at Chautauqua

Aside from the delightful and refreshing novelty of seeing on the platform the sweet, youthful faces of these boys, you may expect to hear a perfectly trained organization of uncommon merit and musical worth.

Their program will be divided into distinct features. "The Angelus," presented with special scenery and the vestments, introduces secular and sacred songs. The other half will be given without the vestments and will feature more the interesting, cheery songs so dear to the American boy.

HOSIERY

We are, as we have always been headquarters for hose. We have children's hose, the best that money can buy, for 15c per pair, or 2 pairs for 25c. They are hard to tell from the regular 25c a pair quality. We have a special grade of ladies hose, medium weight and great wearers, at 3 pairs for $1.0

CORSETS

The best advertisement on earth that a man can have is a satisfied customer. A lady whoever puts on a pair of Bon Ton or Royal Worcester Corsets is certainly satisfied and comfortable and she tells her friends and neighbors. That's the cause of our immense sale.

GROCERIES

This is the season of the year for parties and when giving one you always want nice things to eat. We have the best at all times. Why pay a high price for second grade goods when you can get the best here.

We use coffee as our leader. We have a special grade of coffee which are selling at 20c a pound and which cannot be duplicated at any other store for less than 25c a pound. Our 28c quality, our customers say, is as good as they are used to paying 35c a pound for. Try a pound, and if not satisfied no charge will be made for it.
