# BEAUTY OF FIGURE IS NOT A QUESTION of SIZE

But the beauty of a bank account is entirely a question of size.

Fortunately while none of us have much to say about the beauty of our figures, most of us have the entire making of our bank accounts in our own hands, and can set our stakes high if we WILL to do so.

Bring us your deposits, and let us help you realize your ideal of beauty in things financial.

## Haying Season

Is nearly here. Are you prepared to care for the large crop of hay this season has given us?

We are ready to help you harvest your hay with all the latest improved and most up-to-date machinery. This year we offer for the first time our No. 6 McCormick Mower, a gem of perfection and mechanical ability. You well know the enviable reputation the McCormick Mower has enjoyed for so many years and you wonder how it could be improved upon, but it has been done. The No. 6 Mower has been working under the most adverse field conditions for 5 years, being thoroughly tried out by expert mechanics and by farmers to whom it was entirely new and all pronounced it good. The No. 6 is not the New 4 made over but an entirely new mower with all the good features of the New 4 embodied. There are so many points to call attention to that it is impossible to mention them here, but we ask you to come and see the mower.

SIDE DELIVERY RAKES AND HAY LOADERS

The Keystone tools are the latest improved of haying machines and they save time and labor. We shall be glad to go into details with you about them.

SELF DUMP RAKES

All steel except the shafts and last almost an ordinary lifetime.

TEDDERS

McCormick Tedders are good "kickers." They help to cure the hay without drying out all the nutriment.

BINDERS

The new model Binder which has been on the market for two years and of which we sold 23 last year is pronounced by all who have seen it to be the greatest Binder ever seen work. It is lighter draft than most other machines because of less weight and more roller bearings and a more rigid construction of the main frame. This is the year to buy these tools as all indications point to higher prices next year.

DON'T FORGET OUR SHOPS WHEN YOU HAVE REPAIR WORK. We know how to do it.

## DEATHS

Mr. Frank H. Greenwood, one of Kent's well-known and highly respected citizens, died in Mercy Hospital 10 A. M. Wednesday after a long illness. He had been sick at his home here for some weeks where a faithful wife and loving children did all in their power to nurse him to health, and failing, decided to consult other skill in Baltimore. This also failed and he passed away as stated. The deceased was a son of S. James Greenwood who died when our subject was but 5 years old. After reaching thirteen years he clerked in a store in Smyrna, afterwards taught school at Massey for several years and then embarked in the mercantile business in Millington. He married Miss Bershe Betton Meginniss and in 1886 moved to Chestertown where he received an appointment of mail clerk on the railroad. He resigned this position to become clerk under Dr. S. Beck, then under Dr. Samuel Fisher and afterwards serving as deputy treasurer under Mr. James L. Beck. He was a fine penman, and an intelligent gentleman, a good citizen, a kind father, a faithful husband and a warm friend. He leaves a widow and these children: Mrs. H. J. Brady, Baltimore, Frank A. Greenwood, foreman in NEWS office, J. Turbert, in a daily newspaper of Stauton, Va., Samuel H. with Internaiional Harvester Co., Chicago; Walter M. druggist in Dendron, Va, Mrs. F. H. Moore, Wilmington and Mrs. Wm. B. Bradentown, Florida. The funeral took place yesterday from Emmanuel Church, Dr. H. B. Martin, officiating, interment in Chester Cemetery, C. L. Dodd, undertaker. The bearers were C. D. McCleary, Geo. B. Westcott, Edgar P. Beck, D. Arthur Bacchus, W. W. Baldwin, Fred. G. Usilton.

Mr. John K. Stephenson had lived many years in Chesterville this county, and near by. He was a quiet and apparently a very thoughtful man. He lived peacefully with all his fellows, attending strictly to his own affairs. He was of few words, but always indicated in his face a kindly disposition. He was an industrious man and seldom found unemployed, he was fond of his home and cared the best he could for those committed to his care. As we look back ot him we feel a thoughtful man has gone away, gone to the better world; gone to join the one who a little while preceded him there, Alice, whose life had entwined itself about his. He leaves a wife and one son to mourn him. Mr. Stephenson was a member of the Chesterville M. E Church South.

THE Womans' Federated Club will have the Chestertown Inn open for some guests on Monday next; those visiting the Commencement exercises will find this a home-like attractive place to stay. The ladies will have a formal opening with a large entertainment in the near future.

## A STRONG COURT

### Police Justice Rogers Continues His Good Work—Has The Hearty Co-Operation of Citizens.

As heretofore noted in the NEWS the people of Chestertown have become sick of the crowd of poor unfortunates who get drunk and lay about the streets or the Court House green and making themselves nuisances. Police Justice Hynson Rogers is in hearty sympathy with the citizens and officers in their desire to have conditions better. Of course just as long as rum is sold there is a class to drink it, but they should be kept away from decent society.

Robert Dunn was held for court on the charge of robbery of James Smith, the umbrella man, of $90 and a silver watch. During the robbery Smith was cut in the arm. He used his sleeve as a hiding place for his money and those who relieved him of it ripped open his sleeve to extricate it and cut him. Alfred Palmer was sentenced on the same day to 6 months in the House of Correction for habitual disorderly conduct.

Addie Needles was fined $20 and costs or 30 days in jail for disorderly conduct.

Justice Rogers notified several pals of these men who were present at the trial that they would be arrested next and similarly dealt with unless they behaved themselves.

## A FATAL ACCIDENT

### George W. Hayes, of Rock Hall, Killed By Being Knocked Down On The Street By Automobile.

Mr. George W. Hayes, a well-known timber and road worker, of Rock Hall, was the victim of an accident Saturday evening which cost him his life. Mr. Charles Smith, wharfinger at Tolchester, and a very careful chauffeur, was driving his car through the streets of Rock Hall in the midst of the usual Saturday evening crowd, when Mr. Hayes, in order to find better walking, stepped further into the road and in front of the machine! Mr. Smith was watching a frightened horse on the other side and did not see Mr. Hayes, and was trying to avoid running into the team when he heard the cry of someone.

The accident occurred in front of the drug store of Mr. Joseph Leary. Drs. Schwatka and Seiby were called to Mr. Hayes, and after lingering in a comatose condition since Saturday, died Tuesday night. The deceased was about 70 years of age. a man of quiet and orderly habits and leaves a widow.

Rock Hall has no sidewalks and it is certainly a miracle that no one has been killed before. There should be some safe zone for pedestrians in this thrifty town and we trust the Town Fathers will consider this important matter.

State's Attorney Vickers and Coroner Dr. F. B. Hinee were in Rock Hall on Wednesday night and after interviewing Mrs. Hayes, her daughters, and several witnesses they decided an inquest unnecessary. The deceased leaves a widow and two children and two daughters by his previous wife.

FOR SALE.
