MILLINGTON

Mr. Thomas Maloney, of Townsend, Del., spent a couple of days last week with his daughter, Mrs. Mary Jacobs.

Mrs. Frank L. Williams, of Camden, N. J., is visiting relatives in and near town.

Mrs. John E. Woodall visited her son Mr. John H. Woodall, of Wilmington, Del, on Thursday of last week.

Mrs. H. L. Disharoon, who went to the German Hospital, Philadelphia, about seven week ago to be operated on for appendicitis, returned home on Monday of last week.

Services tomorrow, June 18, at Asbury M. E. Church, will be as follows: 10.30 a. m., preaching by the pastor, Rev. G. P. Smith; 1.45 p. m., Sunday School, subject, "The Philippian Jailer"; 8 p. m. preaching by the Rev. W. A. Wise, District Superintendent of Easton District; Friday, 8 p. m. prayer meeting.

Mr. F. C. Numbers, Jr., of the Texas School for the Deaf, Austin, Texas, is spending the summer with his parents, Mr. and Mrs. F. C. Numbers.

Mrs. Martin Bowman visited her sister, Mrs. Thomas Phillips, of Wilmington, Del., last week.

Miss Pearl Kellam returned on Wednesday of last week to her home in Philadelphia, after spending a few weeks with Miss Ruby Ahern.

Mrs. Annie S. Price and daughters, Mrs. Mollie Aydelotte and Miss Helen Price, and Misses Bessie and Anna Belle Harris are attending the Seventh Day Adventists' Camp meeting which is being held at Rock Hall this week.

Miss Anne Quillen, of Harrington, Del., spent this week with Miss Clara Bryan.

The regular monthly meeting of the Woman's Foreign Missionary Society of Asbury M. E Church met on Tuesday afternoon of last week at the home of Mrs. J. E. Woodall.

Miss Mary Hackett, of Wilmington, Del., is visiting her nephew, Mr. F. C. Numbers.

H. H. Beneman has a full and complete line of wearing apparel for the whole family of best quality and variety at lowest prices. You should see his carpets and furniture.

Mr. S. R. Marowitz, of Baltimore, was entertained last week by his sister, Mrs. I. Hollins.

THE ROAD TO ROCK HALL

Editors Kent News, Chestertown, Md.,
Gentlemen:-

Nobody minds saying "Please, Sir" once when asking for justice, and even a second or third repetition of the supplication does not go so very much against the grain, but there comes a time when something more emphatic is necessary. The whole of the county knows the road condition in the Fifth District and realizes that it is an outrage to leave things as they exist. Rock Hall, the second largest town in the county, pays its state road tax and derives no benefit. The Fifth District, with the largest vote of any district in the county, pays its state road tax and derives no benefit; there is not one foot of state road within its boundaries. The State Road Commission was appointed to perform a public service to the state and they will be unfaithful to their trust if they do not very thoroughly investigate the conditions down here. We demand this investigation and confidently look to the whole of Kent county to support us in this demand.

Yours very truly,
D. Russell Downey.

For Rock Hall Driving and Improvement Association.

A WORD FOR MOTHERS

It is a grave mistake for mothers to neglect their aches and pains and suffer in silence—this only leads to chronic sickness and often shortens life.

If your work is tiring; if your nerves are excitable; if you feel languid, weary or depressed, you should know that Scott's Emulsion overcomes just such conditions.

It possesses in concentrated form the very elements to invigorate the blood, strengthen the tissues, nourish the nerves and build strength.

Scott's is strengthening thousands of mothers—and will help you. No alcohol.

Scott & Bowne, Bloomfield, N. J.

Plant Wood's

Seed Potatoes

In June and July

For Fall Crop.

Potatoes planted now mature in the cool weather of the Fall when they can be harvested to best advantage for use or sale during the winter.

Wood's Seed Potatoes are choice selected seed, put in cold storage early in the season, so as to keep in first-class, vigorous condition for late planting.

Write for "Wood's Crop Special," giving prices and information about Potatoes for late planting, Cow Peas, Soja Beans, Millet, Crimson Clover, etc.

Cal-Sino

HOG RESTORATIVE

The great hog condition powder. **Don't wait** until your hogs get sick. Give it to them **now** to keep them well and help the backward or ailing ones.

Profit by last year's losses! Even if Hog Cholera did not hit you last year, you can never tell when it will, and a course of CAL-SINO will ward it off, expel worms, promote health and growth, and easily pay for itself in **extra weight.** It's mighty good for Sows and Shoats.

Costs about 10c. to 20c. per hog per month depending upon size. If you once try it, you'll **use it always.** Don't put it off—delay may cause you loss. Try it.

Impossible To Get So Much Motor Car Value For The Money

WE FIND this is the attitude of many people who come into our salesroom—before they know anything about the Maxwell.

Not until the Maxwell is shown and demonstrated to them—until they sit in it and examine the finish—until they ride in it—or perhaps not until they drive it themselves, do they realize what a tremendous value is offered in the Maxwell car.

It is not unusual that Maxwell value should not be known to everyone, because it is uncommon to find such a car for a good margin more than the Maxwell price.

The Maxwell stands absolutely alone in a highly competitive field, for the amount of value it offers for the price.

Appearance—The lines of the Maxwell are decidedly attractive. There is no break in the contour from the radiator to the back of the car. The fenders are gracefully shaped. All metal parts are enameled or nickel-plated. The upholstery is deep and well-finished. From any angle it is a car that the owner can be proud of.

Motor—The engine in the Maxwell car is not equalled by any other four-cylinder engine of its size. And we know of larger and more expensive cars that have less able power plants. The Maxwell engine carries its load through mud and sand or over the steepest grades without a falter.

Quality—The materials in the Maxwell car are the best that can be bought and the workmanship that turns them into finished parts is no less excellent. It is only the large production of the Maxwell factories that makes it possible to put such quality of materials and workmanship into a car selling at the Maxwell price.

Economy—With its other attractive features, the Maxwell is a most economical car to own. Owners get 22 to 25 miles per gallon of gasoline and 8,000 to 12,000 miles per set of tires. And the car is so durably built that repair expense is negligible.

We are sure you want a car such as we have described the Maxwell to be. If you will give us a few minutes of your time we are sure we can convince you that the Maxwell Car is an exceptional value. Come in today.
