FOURTH ANNUAL

Kent & Queen Anne's Fair

AT CHESTERTOWN, MD.

JULY 25th, 26th, 27th and 28th, 1916

BIGGER AND BETTER THAN EVER BEFORE

¶ Neither pains or money are being spared to make the event this year the crowning one of the four years the KENT & QUEEN ANNE'S FAIR ASSOCIATION has been in existence.

Tuesday, July 25th,

Will be CHILDREN'S DAY. Believing that our children should be given everything that we can to make them have a happy and pleasant time in the days when they are free from care and responsibilities, the Association has this year, as in the past, decided to make Tuesday, the first day of the fair, "Children's Day." On this day all children 12 years old and under will be admitted free.

We hope that parents will take advantage of this and bring their children to be our guests on that day. Some attraction of special interest to the children will be arranged for on that day.

Wednesday, July 26th,

Will be known as GOVERNOR'S DAY, as the Hon. Emerson C. Harrington, Governor of our State, will be our guest on Wednesday.

Thursday, July 27th.

This day will be known as BIG THURSDAY. Everybody will be here, and if there is any one you want to see in this section of the world come to the fair grounds on Thursday and you will find them there.

Friday, July 28th.

This will be known as "FARMER'S DAY." A man of national reputation will be here and make an address on "Dairying."

The management of the Fair Association have this year secured — and will make it a leading feature—an exhibit of PURE BRED CATTLE. This section is fast becoming a cattle country, and an exhibit of this sort will create great interest. Mr. JOHN E. GEORGE, onr leading Queen Anne's County Dairyman and Breeder, will exhibit twelve head of Holstein Freisians. Among them will be his head sire, "KING PONTIAC WALKER." He is in his 4th year and weighs over a ton. Our Kent county dairymen and breeders will also show you some great living milking machines. Don't fail to visit the Fair and see one of the finest arrays of Dairy Cattle ever gotten together on the Eastern Shore. This alone will be worth the price of admission.

OUR MIDWAY this year will be in the hands of MR. J. E. KIRBY, of Baltimore, Md., who has had over 30 years experience in shows and amusements, and will surpass anything ever seen here before.

Chestertown is the starting point of the Fair Circuit this year and the horses will be fresh and good. Large field in every class is already assured.

DON'T FORGET THE DATE. Come bring your families and spend the day at the great Kent and Queen Anne's Fair at Chestertown, as you will not be able to see it all this year if you don't make a full day of it. Farmers will see a great display of Farm Machinery, as all the leading manufacturers of the country have engaged ample space for exhibits.
