Local Notes

THE Kent Land Co.. J. W. Russell President, has sold to Hon. Harry C. Willis, of Betterton, the Shallcross farm of 167 acres, on the Sassafras river. Sale does not include the wharf nor the small tenant house. It will be tenanted next year by Mr. Willis' son.

THE streets of Chestertown have been given a covering of tar and stone this week alter a long wait of more than a month.

THE Jarman property in the First District, near Chesterville, was withdrawn Tuesday at a bid of $75 per acre. This is a fine property containing 340 acres. The property in Millington was withdrawn at a bid of $2675. The other property was also withdrawn.

LATER—Mr. Paul Comegys, of Millington, through H. W. Vickers, Esq., attorney, bought the home in Millington for $2750.

MR. WM. C. SPIELBERGER, the expert automobile machinist, formerly with Graham, Clements & Sutton, announces in this issue that he has opened a Studebaker service station and is prepared to do repair work of all kinds. He also keeps a first-class line of oils, gasoline, accessories, etc., in the garage near the depot.

A RACE for $20 will be held Saturday at Rock Hall between Mr. W. C. A. Thomson's John B., Mr. John Brice's Kentwood and Mr. Bud Pott's Dexter.

W. W. HUBBARD will improve his Custom House property by the erection of a large double porch around the front and High street sides. He has secured the permission of the Town Commissioners to extend the porch over the High street approach to the wharf. Apartments will be fitted up here.

THE heavy rains of Sunday night and Monday stopped the wheat threshing. Mr. John W. Atwell finished threshing Saturday and got an average of 20 bushels. Mr. J. P. Nicholson has a fine prospect on a field in which potatoes were raised. Mr. Harry Holt, of Massey, sold his old wheat Monday for $1.05. Other growers sold their new wheat at $1 01. The first carload of new wheat shipped from Middletown this year was loaded at the local station on Saturday, by Jesse L. Shepherd. The wheat was threshed on the farm of William T. Pearce, Sr., near St. Anne's Church, and was in fine condition. Mr. Pearce obtained an average yield on 43 acres of 23 bushels, one field of fallow wheat yielding 30 bushels per acre, for which $1 per bushel was paid.

DR G. ALLAN JARMAN picked up quite a large turtle that was crossing the road near Massey Saturday, while Mr. Harry Nichols found one last week on his farm near town after following his tracks for over a half-mile. Dr. Gundry's little son at Catonsville has two turtles which he harnesses to a small vehicle and drives at will. One of his turtles has a world's record!

ON Saturday evening the home of Mr. Culley on the Massey road to Millington was entirely destroyed by fire. All of the family were away and everything was lost.

THE statement that "Happy J." paced the fastest mile at a matinee in Kent is erroneous, as in 1913 Pony Boy went two heats in 2.12½ and 2 12. Honor to whom honor is due.

The harbors at Rock Hall, Queenestown, Claiborne and Cambridge and Chester, Choptank, Warwick, Wicomico, Pocomoke, La Trappe and Manokin Rivers and Tyaskin Creek will receive $12,500 for maintenance.

ON Tuesday evening last, W. T. Medford, Special District Deputy Grand Master visited Massey Lodge No. 157, I. O. O. F. and duly installed the newly elected officers : Noble Grand, Herman B. Massey ; Vice Grand, Bartus Wilkens ; Recording Secretary, F. Lester Newnam ; Financial Secretary, B. Watson Nickerson ; Treasurer, Herman H. Darrell. This lodge now has a membership of 106 members on roll and are also working for a new class of candidates to be admitted about the middle of August, at which time there will be a degree staff from Baltimore here to confer the degree work on the new members and it is trusted that they may have another large class.

THE Cecil papers are claiming that Rising Sun women were the first to vote in the State, but they are mistaken as in 1898 the women of Still Pond exercised the right of franchise and still have this privilege.
