WHY YOU ARE NERVOUS

The nervous system is the alarm system of the human body.

In perfect health we hardly realize that we have a network of nerves, but when health is ebbing, when strength is declining, the same nervous system gives the alarm in headaches, tiredness, dreamful sleep, irritability and unless corrected, leads straight to a breakdown.

To correct nervousness, Scott's Emulsion is exactly what you should take; its rich nutriment gets into the blood and rich blood feeds the tiny nerve-cells while the whole system responds to its refreshing tonic force. It is free from alcohol.

Overland

—FOR SALE BY—

J. H. CLENDANIEL, Jr
KENNEDYVILLE, MD.

Women are becoming more and more proficient automobile drivers. This is the opinion of J. H. Clendaniel, Jr., local Overland dealer.

"This development," said Mr. Clendaniel, in speaking of the increase in the number of women drivers, "is due largely to the many improvements in automobile construction. The engineers at our big Toledo plant, keeping in mind the use of all of our models by women as well as by men, have reduced the mechanism of our cars to simplicity itself.

"To-day a woman steps i to the car and takes a seat with confidence, Sitting upright in the seat she presses the magneto button in the switchbox on the steering column—a feature of all Overland and Willys-Knight models—and presses the toe-button to start the motor—no cranking is needed.

"She presses the clutch pedal—only a gentle pressure—and the clutch is released. The brakes work easily. No straining or tugging, but just a light pull throws the lever from neutral to first, second or third speeds, or reverse. The steering wheel also works easily.

"To sound the warning signal she does not have to reach over the side of the car and squeeze a rubber bulb, nor does she have to press down on a hand signal. She touches another button in the switch box just below the steering wheel and the horn sounds electrically.

"Instead of fussing around with matches to ignite oil or acetylene lamps, all that is required is a touch of another in the switch-box. Two buttons control these lights, flashing them on bright or dim as desired.

CHURCH NOTES

Sunday was Missionary Day in Christ M. P. Sunday school. The collection amounted to over $16, the banner being awarded to Mrs. Wm. J. Vannort and T. D. Bowers' class by President Roy Barnett. Mr. W. R. Huey conducted the early service at the Twilight hour a feature of which was a sweet solo by Mrs. J. H. Sides.

Dr. J. S. Bowers, president of the Maryland Annual Conference has announced the names of the ministers who will be in charge of the Shiloh Campmeeting in Dorchester county. It will last for two weeks, beginning July 28. First week—Rev. Dr. Walter R. Graham; Rev. Dr. J. W. Trout, of St. Luke's Church Philadelphia; Rev. A. B. Dupuy, of Hurlock, and Rev. W. L. Hoffman, of Cambridge. Second week—Rev. Dr. J. M. Sheridan, of the Broadway Church, Baltimore; Rev. Dr. John M. Holmes, Church Extension superintendens; Rev. F. J. Phillips, of the Union charge, and Rev. C. M. Cullom, of Laurel, Del., circuit.

Wesley Chapel M. P. Church. "A Friendly Church," Albert Charlston Smith, minister. 9.30 a. m., Sunday-school; 10.30 a. m., preaching by Rev. John S. Bowers, D. D., President of the Maryland Annual Conference. Come hear the message of our President. At 7.15 p. m. sharp the twilight service (weather permitting) will be held on the green. The minister will preach the second sermon of the series on Marriage, namely "Father and Mother." In the event of rain service will be held in the church. An alternate sermon will be delivered and the announced subject will be postponed until the following clear Sunday evening, so that all may have an opportunity to hear these discourses. The minister adopted this plan to accommodate the good people who braved the storm last Sunday night, in spite of great distances and hazardous driving, to attend the evening service. He hopes, however, to see his people present in inclement weather as well as when fair skies bid a welcome to seek the House of the Lord. At 7.15 p. m. sharp Mr. James Stevens, Jr., a cornetist of Baltimore, will assist in the evening service.

It is understood that Dr. F. T. Tagg will go to Wilmington, Del., to assist Rev. G. A. Robinson in building up the First Methodist Protestant Church of that city, which for some time has been an uphill fight.

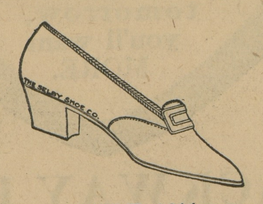

St. James Church, H. B. Jester, pastor, Sunday school, 9.45, Mr. R. C. Nicholson, Superintendent; 11 a. m., sermon by Rev. or Fred C. Klein, of Baltimore; Christian Endeavor, lead by Miss Clara Biddle at 7.30 p. m., or Klein will make an address at the Christian Endeavor meeting Lynch Sunday at 2.15 and preaching at 3 p. m.

Mr. Clews will preach next Sunday on 'The Fatherhood of God.'' August will oon be here, the month of Mr. Clews' vacation. It is probable that when he returns in September it will be for the purpose of saying "goodbye" to his loyal friends and members of his charches. It is therefore advisable that all do their very best toward an absolution of their financial obligations. In other words, all are very kindly but earnestly requested to "pay up" before the end of this month so that the books may present a clean sheet.

Chestertown M. E. Church—Rev. T. F. Beauchamp, pastor. Services Sunday July 16 as follows: 9.30 a. m.
