"IT'S THE LONG BLUE CHIMNEY"

IF you are a business man, if you are a professional man, if you are employed at a daily wage, make up your mind to deposit weekly a certain sum of money in the bank. You'll be surprised how the sum will grow. Cash in bank gingers up the man who has it there. He has more confidence in himself. The business man is ready for a dull season. He is ready for an opportunity.

So is the professional man. The man who is working for a daily wage and who hasn't any money in bank frequently is fearful of a loss of his situation. He does not work as well or with the confidence in himself as does the man with something laid aside for a rainy day.

Bumblebee Upsets An Auto.

Mrs. W. L. Abbott and Mrs. L. M. Cross were riding in the country in a closed automobile when a bumblebee got inside. In their efforts to drive the bee out Mrs. Abbott lost control of the machine and the car went into a ditch and was upset. The women escaped with a few bruises.

COLLIDED WITH A COW

Mr. Oscar Ray, an employee of the Chesapeake & Potomac Telephone Co., who has been making his home here for several years, is in Elkton Hospital as a result of colliding wirh a cow on the state road near Cecilton on Thursday night.

Messrs. Robert Robinson and Oscar Ray had been to Chesapeake City on motorcycles and were returning when the accident occurred. Mr. Robinson was somewhat ahead of Mr. Ray, when suddenly he noticed that he heard nothing of his companion's machine. Stopping his machine and looking backward he saw his light was pointing upward and upon investigation found Mr. Ray in an almost unconscious condition lying, with the machine and cow, in the road.

Davis Brothers bus to Elkton had passed the two riders a few minutes previous to the accident and Mr. Robinson got on his motorcycle and soon overtook them and the driver consented to carry the injured man to the hospital at Elkton.

A brother of Mr. Ray visited him at the hospital on Sunday and reports that he was in a very serious and probably very dangerous condition. He sustained numerous bruises and it was some time before he regained consciousness after being taken to the hospital.

Mr. Ray is a gentleman of an exceptionally fine temperament and has a wide circle of friends, who deeply deplore his sad accident and hope for his timely recovery.

Watermelon Weighed 102 Pounds

The veteran watermelon grower of Virginia is Judge Charles Catlett, of Gloucester county, up on the York river. For forty years he has been one of the largest growers of melons in Virginia. The Judge states that there is no secret in the growing of melons that he prepares his land thoroughly, uses stable manure and fertilizer and selects the best seed he can get. The seeds are planted in hills eight feet apart each way and half a pound of fertilizer is used per hill. Judge Catlett has raised a melon that weighed 102 pounds, two that weighed 100 pounds each and four from one hill that weighed 215 pounds.

WHERE'S THE MISTAKE?

Figures Used to Prove That Employee Does not Earn Salary.

A man went into a Broadway house and applied for work. He said he wanted a salary of $1,500. He was told he was not worth the money, and he naturally asked the reason. He was told the reasons as follows:

Each year has	365 days
You sleep eight hours each day, which equals	122 days
This leaves	243 days
You rest eight hours each day, which equals	122 days
This leaves	121 days
There are 52 Sundays that you do not work	52 days
This leaves	69 days
You have one-half day off each Saturday	26 days
This leaves	43 days
You have one and a half hours each day for lunch	28 days
This leaves	15 days
You get two weeks' vacation each year	14 days
This leaves	1 day
And this being the Fourth of July, we close on that day	0 day

ELDERLY WOMEN SAFEGUARDED

Tell Others How They Were Carried Safely Through Change of Life.

Durand, Wis.—"I am the mother of fourteen children and I owe my life to Lydia E. Pinkham's Vegetable Compound. When I was 45 and had the Change of Life, a friend recommended it and it gave me such relief from my bad feelings that I took several bottles. I am now well and healthy and recommend your Compound to other ladies." —Mrs. MARY RIDGWAY, Durand, Wis.

A Massachusetts Woman Writes:

Blackstone, Mass. — "My troubles were from my age, and I felt awfully sick for three years. I had hot flashes often and frequently suffered from pains. I took Lydia E. Pinkham's Vegetable Compound and now am well." —Mrs. PIERRE COURNOYER, Box 239, Blackstone, Mass.

Such warning symptoms as sense of suffocation, hot flashes, headaches, backaches, dread of impending evil, timidity, sounds in the ears, palpitation of the heart, sparks before the eyes, irregularities, constipation, variable appetite, weakness and dizziness, should be heeded by middle-aged women. Lydia E. Pinkham's Vegetable Compound has carried many women safely through this crisis.

"M-y-y Goodness!"

Just think of the treat that's in store for ME. Pa and Ma and Bud and Sis, they all say
