THE STORE THAT SERVES YOU BEST

The Hochschild, Kohn & Co. Store was founded in 1897. It began with a plain announcement of its policy and its intentions.

A clear contract was made — is still made, and will always be made—with every customer. This is the contract—it is printed on the back of every sales-check:

Our System
Reliable goods only, at uniformly right prices. For all articles returned, if uninjured, and within reasonable time, we shall willingly refund money.

Baltimore's Best Store is the store of progress. It is not ideal, but it is striving to be.

Its aim is to please—to satisfy; and it never loses sight of the mark. It is the accepted and avowed shopping place of a great many people, in Baltimore, throughout Maryland, and in almost every other state in the Union.

REV. J. FRANKLIN BRYAN RESIGNS

Rev. J. Franklin Bryan, pastor of South Baltimore Methodist Protestant Church, Light near West street, tendered his resignation to the congregation Sunday. Mr. Bryan will preach his last sermon next Sunday, leaving on September 19, for Washington, D. C., where he will assume charge of the North Carolina Avenue Methodist Protestant Church. He succeeds Rev. E. A. Sexsmith, who was compelled to resign his Washington pastorate due to the poor health of his wife. A congregational meeting will be held at the church to take up the question of a successor to Rev. Bryan.

Mr. Bryan went to the local church about seven years ago, during which time the congregation has increased to 300 members, 85 converts being admitted in the last nine months. Before taking charge of the South Baltimore congregation, he was pastor of Bethany Church, and later became pastor of the Waverly Church. Mr. Bryan was instrumental in bringing the Lowe Memorial Church, William and Clement Sts., into the conference of the Methodist Protestant Church last April. Prior to this Lowe Memorial was of an independent faith. He is a member of the deaconess board of the Maryland Conference and the board of managers of the Baltimore City Church Extension Society. He is a Kent countian and his friends rejoice at his promotion.

A LARGE CHRYSANTHEMUM

Travels By Special Train From Ardley, N. Y., to Cleveland, Ohio.

A special train was used recently for taking a large chrysanthemum from Ardley, N. Y., to Cleveland for the annual exhibit of the chrysanthemum Society of America. This plant, which resembles a huge mushroom in shape, measures seventeen feet across and six feeet high.

In order to get it into the exhibit building a door had to be removed and the partition opening enlarged. The owner of the plant, Mr. Lewisohn, had to consent to reduce his plant twelve inches before the railroad would handle it.

In Cleveland the plant received the same sort of attention that is accorded the head of the goverment on a tour. Crowds turned out, lining the sidewalk, to see this wonderful mass of flowers.

Its only rival in the world is one in the possession of the emperor of Japan, which is six inches wider. The plant was placed on its side in a specially constructed frame and covered with glass. This was driven through the streets of Cleveland escorted by mounted police. The chrysanthemum is of the vellow variety, and had twelve hundred blossoms.

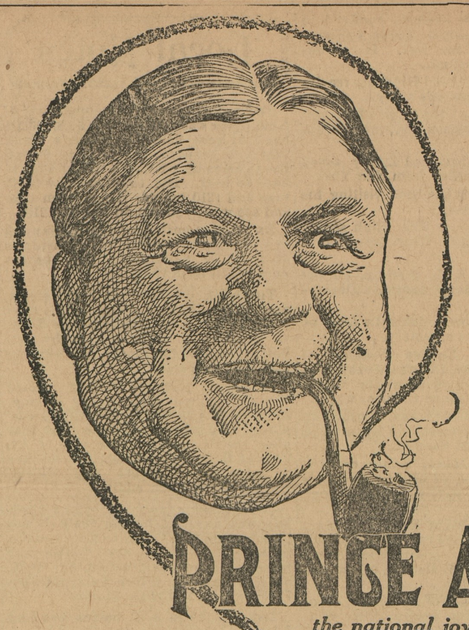

Several years ago Mr. Lewisohn conceived the idea of producing a chrysanthemum which would have no rival in the world. His success has been marvellous, and he is still hopeful of accomplishing his aim.

STAMP TAX LAW REPEALED

When the new general revenue bill became effective last Saturday business men throughout the country were relieved of the stamp taxes which they have been paying since December 1st, 1914, and which were to have continued until December 31st of this year. The general revenue bill repealed the emergeney revenue bill stamp taxes and the Internal Revenue Bureau ruled that revenue stamps were not required after Saturday.

The stamp taxes repealed include those paid on telegraph and telephone messages, parlor car seats and berth tickets, bonds, debentures, certificates of indebtedness, certificates of stock, transfers, bills of sale, promissory notes, express and freight manifests and bills of lading, bonding instruments, conveyances, insurance policies, entry of goods passage tickets, power of attorney, protests, perfumery, cosmetics and chewing gum.

During the first seven months operation of the emergency revenue law these stamp taxes yielded more than $23 000,000. These taxes are recorded collectively and not under individual heads.
