IF you are a business man, if you are a professional man, if you are employed at a daily wage, make up your mind to deposit weekly a certain sum of money in the bank. You'll be surprised how the sum will grow. Cash in bank gingers up the man who has it there. He has more confidence in himself. The business man is ready for a dull season. He is ready for an opportunity.

So is the professional man. The man who is working for a daily wage and who hasn't any money in bank frequently is fearful of a loss of his situation. He does not work as well or with the confidence in himself as does the man with something laid aside for a rainy day.

Fight Off Cholera

—NOW WITH—

Cal-Sino Hog Restorative

THE PREVENTIVE treatment of Hog Cholera with **Cal-Sino Hog Restorative Powder** is easier, safer and more satisfactory than trying to cure the disease itself *after* it attacks your hogs for all too often sudden violent attacks occur which *leave no time* for treatment and so always cause speedy death.

A warm spell of weather is apt to bring an outbreak of Cholera *at any time.* To insure against loss and *to get the most weight* it pays to give a regular course of **Cal-Sino.** It costs only about 10c to 20c per hog per month, depending upon size, to fortify against disease and to make them fleshier, for **Cal-Sino** helps to get *all* the real body-building flesh-making material out of the food—and that's what counts.

If you once try it, you'll *use it always.* Ask your neighbors and the dealers. Don't put it off—delay may cause you loss.

TELEPHONE, CALL OR WRITE FOR SOME TO-DAY

MR. WILBUR S. JENNINGS, Brownsville, Md., writes:—"We lost 22 out of 26 hogs before we started to use **Cal-Sino Hog Restorative,** and we have the 4 yet. I am quite sure we would have lost them all if we had not fed Cal-Sino; so it just saved us $60 to $70, and it would have saved at least $260.00 for us if we could have had it in time."

The Correct Number

When you go out to make a call in person, you always assure yourself that you have the right address.

It is just as important that you have the right number in making a telephone call. When you call the wrong number you annoy another and delay the service.

It's always best to consult the telephone directory before making a call.

When you telephone, smile.

Horse Notes.—S. P. Peacock, the Middletown, Del., owner and driver, well-known in local racing circles, had a big day at the Reading, Pa. Fair. Dr. R., owned and driven by Peacock, took the 2 24 pace in straight heats after coming in second in the first. Nugget Boy, driven by Peacock, took third money in the 2 25 trot, by taking a second in the third heat after coming in fourth and seventh in the first two.

Mr. Holt Woodall, of Galena, has sold his speedy gray pacer, Twinkle March, to Mr. Wm. L. Bull, of Melfa, Va. The sale was consummated in Wilmington, Del., and the price is said to have been $600. Twinkle March is six years old and under the eye of that skilled driver, Mr. George Sutton, has shown great improvement. The sale of this horse doubtless ends the prospect of a match race.

Mr. Robert J. McWhorter has sold to Mr. Jacob Simmons, of Philadelphia, his well-bred and promising three-year-old colt, Main Fern, by Main Street. The price is said to have been $500. Main Fern has been raced on the Maryland Virginia circuit during the season and has not been behind the money once. He is a fine gaited trotter, and has a good prospect.

"A CYCLONE," SAYS HEFLIN

Predicts Wilon's Election by Largest Popular Vote Ever Polled

Representative "Tom" Heflin, the eloquent Congressman from Alabama, was in New York last week conferring with the Democratic campaign managers.

"They speak of it as a 'drift to Wilson'," said Mr. Heflin. "If I am able to judge correctly, it isn't a drift. It's a cyclone.

"President Wilson will poll the solid Democratic vote and will receive the support of more than half of the Progressives, and he is going to have the support of thousands of progressive-thinking and forward-looking Republicans.

"President Wilson deserves to be re-elected on the record of his administration. Constructive legislation, peace and prosperity enjoyed under Wilson constitute an argument that cannot be answered. He is entitled to receive the vote of every patriot in the country, and my judgement is that he will be elected by the largest popular vote ever given a presidental candidate."

BE SURE TO REGISTER

Persons who are not already on the poll books of Kent county, or those who have moved from one district to another since the last registration, should bear in mind the dates announced this week by the Board of Election Supervisors. The first day will be Tuesday, Oct. 3rd, and the second just one week later. These are the only two days when Democrats will have the opportunity to register. It is, therefor, important that all have their names placed on the books. Unless this is done those otherwise eligible to participate will have no vote in the approaching Presidential, Senatorial, and Congressional election.
