...ficit in State funds. In these estimates he shall make provision for the interest and sinking funds of all State debts, for all salaries as fixed by law. With regard to most other matters he may revise the estimates presented to him either by State Officers or State-aided institutions. The Legislature may not increase the estimates presented by the Governor or pass any additional appropriation act except by a majority vote and must make provision by tax for such increase or additional appropriation. The Legislature may not alter in an appropriation act the provision made by law for the State debt, or for the judiciary, but may reduce all other items in the Governor's estimates."
