FELL FROM TREE, HURT; THEN WELL

How a Man Who Landed On Wood Pile and Was Sore From Head to Foot Found Quick Relief.

Once upon a time Edwin Putnam, who lives in the quiet, pretty hamlet of Wendel Depot, Mass., climbed up into a loft to get some building material, just as many another man living in the country must often do Suddenly he slipped and fell. Ten feet below was a pile of wood, knotted and gnarled. It was a nasty tumble, and Mr. Putnam was injured painfully in the back. he was covered with bruises, and was sore from head to foot.

The next day he bought a bottle of Sloan's Liniment, which had been recommended to him. Within a very few hours the soreness had vanished and the lameness had disappeared He was an active man once more.

Sloan's Liniment can be obtained at all drug stores 25c., 50c. and $1.00

THE PEOPLE'S BANK
CHESTERTOWN, MD.

IF you are a business man, if you are a professional man, if you are employed at a daily wage, make up your mind to deposit weekly a certain sum of money in the bank. You'll be surprised how the sum will grow. Cash in bank gingers up the man who has it there. He has more confidence in himself. The business man is ready for a dull season. He is ready for an opportunity.

So is the professional man. The man who is working for a daily wage and who hasn't any money in bank frequently is fearful of a loss of his situation. He does not work as well or with the confidence in himself as does the man with something laid aside for a rainy day.

Lippincott & Co.—THE IDEAL CHRISTMAS STORE—Lippincott & Co

TO THE GOOD PEOPLE OF CHESTERTOWN AND VICINITY:

If You Cannot Get What You Want In Your Home Town COME TO LIPPINCOTTS

THE CHRISTMAS SEASON is with us once more. Assuming that we all have the real Christmas pirit—that Gift Giving is to be a genuine pleasure—let us consider how the Christmas Shopping may be done with comfort and satisfaction, with happiness and profit.

Within the last twelve months this big store has been ravaged by fire and water with great losses and a temporary suspension of business, But even such a catastrophe could only be temporary in an organization like this Out of the ashes arose a bigger and better Lippincott's—an organization far more efficient than before—and a store more complete and better equipped in every way to meet the needs of its thousands of customers in Wilmington and the country roundabout.

And so we come to you now with an invitation to visit us during the interval between now and Christmas. We want you to feel that Lippincott's is just as much YOUR store as if it was located in your home town. Distance goes for naught these days. The family automobiles, the inter-urban trolley and the steam cars have made us all neighbors.

It is superfluous to say that we are better equipped than ever before to take care of your Christmas needs. A larger store gives us new departments and more room in other lines. You can plan your shopping tour here with the confident assurance that no matter how large your list you will be able to make every purchase—and in doing this Christmas Shopping becomes a real pleasure instead of a more or less tiresome duty.

Suggestions are hardly in order with more than a half hundred departments to choose from, but the following will give you some idea at least of the possibilities which the store offers:

UMBRELLAS	TRIMMINGS	HANDKERCHIEFS	PICTURES
CUT GLASS	BLANKETS	DRAPERIES	BABY COACHES
JEWELRY	LINENS	FURS	CHINA
CLOTHING	BED SPREADS	SHOES	MILLINERY
FURNISHINGS	TOYS	HOSIERY	STATIONERY

This Guaranteed Aluminum Cooker

The cost of Aluminum has doubled since we ordered these lifetime Cookers. At present prices, this offer would be impossible. So, in all probability, after our supply is exhausted, it cannot be made again.

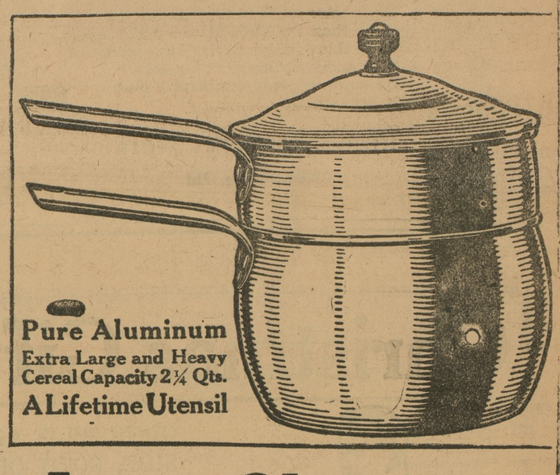

Next week the grocers of this city will once more feature this Mother's Oats Cooker offer. And for the last time, we believe.

We have supplied Cookers now to over 1,000,000 homes. We have supplied these guaranteed Aluminum Cookers for $1 to Mother's Oats users. But this offer ends with our present supply, and probably forever. Unless Aluminum drops 50 per cent, we cannot again offer a Cooker like this for $1.

But next week only we make the offer below. You can get this Cooker for $1, by buying two of our cereals which should be cooked in it.

This offer is made to induce better cooking. To bring you Mother's Oats and Pettijohn's cooked in perfect form, with the flavor kept intact. Our reward will come in your doubled delight in these foods.

We ask the pictures just to show that you use our cereals. Unless you have the right flakes, right cooking does not help much. But, if you use Mother's Oats and Pettijohn's, this cooker is yours for $1. This is for one week only. Get the packages from any grocer named below.

Mother's Oats

The Extra-Delicious Vim-Food Flaked from Queen Oats Only

Mother's Oats is made from queen grains only—just the big, plump, luscious oats.

No puny, starved grains are included. A bushel of the choicest oats yields only ten pounds of Mother's.

The result is a flavor that has won the world—a flavor which is matchless. Yet these large and luscious flakes cost you no extra price.

Nature stores in oats a wealth of vitality, which everybody needs. We want you to know this fascinating vim-food, made as we make it and cooked in our way.

Pettijohn's

Rolled Wheat with 25% Bran Flakes A Modern Bran Dainty

Every doctor advises bran as essential to right living. It is Nature's laxative. Everybody every day should eat it. It means better health, better spirits, sunnier days. Without it, our diet of fine food forces folks to drugs.

Pettijohn's is made to meet doctors' requirements. The bran is hidden in flavory flakes of wheat. The food is a morning dainty which everybody likes. Yet it contains 25 per cent tender bran.

The bran is in flake form, which makes it doubly efficient. Ground bran will not do.

Try Pettijohn's one week. Note its delightful effects. Never again will you go back to a branless diet.

Then try Pettijohn's Flour. It is 75 per cent fine patent flour mixed with 25 per cent bran flakes. Use it like Graham flour in any recipe.
