

PERFECTION
SMOKELESS OIL HEATERS

It Isn't the Getting Up

It's the *dressing* in a room like an ice-box that sets your teeth on edge.

Your dressing room would be as warm as toast every morning if you had a Perfection Smokeless Oil Heater. It starts thawing out the chills the minute you strike a match—and you can carry it wherever you need heat—bathroom, breakfast room, or pantry.

Clean, durable, good-looking. Inexpensive to buy; costs less to run than any coal fire. Ask any one of the more than 2,000,000 users, or examine it at your department store, hardware or furniture dealer's.
