ROCK HALL

Mrs. A. Alexander left here Wednesday for Baltimore and other parts on a pleasure tour. We all wish her well.

Mrs. J. W. Boyer, of Baltimore, is spending a short vacation with her daughter, Mrs. Harrison, and other relatives and friends here.

Mr. and Mrs. Edgar Hague, of Lynch, spent Thanksgiving among their relatives in this section.

Rev. Mr. Prettyman conducted an interesting Thanksgiving service on Thursday of last week.

Mr. Robert Wickes has the finest crop of winter lettuce ever grown here.

Mr. B. F. Legg, who has been confined to his room for several months, is able to be out and about occasionally.

According to the old-timers' signs, the weather man will give a mild winter. "So be it." The signs of Christmas are looming up, not so elaborate as heretofore owing to high cost.

It is noted with pleasure that the boycott on eggs, butter and other food stuff by the housekeepers in various parts of the country is effecting the high cost of living. But it seems to make the party managers frown because the "dear people" are taking matters in their own hands and reaping success, while the "powers that be" are manipulating a lot of red tape and pretending to give us relief, thus giving the speculators all the opportunity they wish to ply their trade.

Will somebody give us a justifiable reason why Rock Hall has no resident magistrate? One of our local politicians tells us a competent man cannot be induced to accept the position of Police Justice. "That's all in my eye, Beckey Miller." There are a number of competent gentlemen here who would be glad to have the position if politics is left out. Our people are rather inconvenienced by reason of there being no resident magistrate. 'Squire Burgess is a fine, accommodating official, but it isn't fair for him to hitch up a team and drive down here to perform magistrate duty for 10 cents per affidavit.

The entertainment in the High School here on Tuesday evening was well patronized and hugely enjoyed by all.

A meeting will be held in the High School building, at Rock Hall, Monday afternoon next, 11th inst at 2 p. m., for the purpose of organizing a Grange at Rock Hall.

All persons interested are invited to be present at this time.

The master of the county organization Mr. Wm G. Smyth and others from a distance will assist with the work.

The following are the averages of Locust Grove school for the month of November:

Seventh Grade—Myrtle Faulkner 92, Robert VanDyke 90, Mildred Sutton 88, Roland Comly 88, John Haggerty 88.
Sixth Grade—Lynda Bonwill 91.

Help him make a Christmas of HEALTH—

AFTER all, Christmas is only a success when you give to make *others* happier. And what better gift can you give than health to sufferers and protection to those about them!

Once a year the Red Cross Seal makes its appeal to you for support in its winning fight against tuberculosis.

With the money paid for RED CROSS SEALS, both children and grown-ups are taught how to escape and conquer Tuberculosis, nurses are sent among the poor, dispensaries and hospitals are secured.

Here is your chance to do a real good—and right in your own state. For the Seals support the health work in the state where they are purchased. Buy liberally to bring new life to those who have less of life's pleasures than you.

Buy Red Cross Seals of your local agent.
