PEACE on earth, good will to all men!

THE embargo on grain is greatly inconveniencing our farmers and business generally.

OLD KRIS letters appear in this issue. Others are in hand and will be sent to Santa Claus, appearing in the NEWS next week early enough for the fine old gentleman to read them.

THE proposed national prohibition amendment was Thursday ordered favorably reported to the House by the Judiciary Committee by a vote of 12 to 7. The proposed universal suffrage amendment was ordered reported without recommendation.

JOHN S. MULLIN, JR., of the firm of James T. Mullin & Sons, clothiers, Sixth and Market streets' Wilmington, on Thursday last, bought for $175 000 the old City Hall, the yard in the rear of that building and property at the southwest corner of Sixth and King streets. Mr. Mullin has not yet devised plans for the disposition of the land and buildings which adjoin the Mullin store on the south and east.

IT seems as if Germany is full of surprises. Now comes a rift in the dark war cloud by this offer of peace from Germany and her Allies, Austro-Hungary, Turkey and Bulgaria. It is doubtful whether the English and French will accept the offer at this time. Why not? Hasn't enough blood been shed? Can not the terms be made satisfactory? Put up the sword and settle differences in a sane manner.

Dr. W. W. DAVIS, secretary of the Lord's Day Alliance, addressed a meeting in Christ M. P. Church, Chestertown, Tuesday evening. It is proposed to form a branch in Kent to the State Alliance with representation from all the districts. Resolutions commending the splendid work already begun and congratulating those merchants and business men who entered heartily into the new regime of a better observance of the Lord's Day, was passed.

SINGLE TAXERS have always desired a direct vote of the people on their panacea. They got it in Oregon at the last election, where the Single Tax proposal was voted down by more than four to one. Oregon is a Progressive State, but its progressiveness does not go in the direction of Single Tax. The Single Tax as an issue was ragarded by its opponents in Oregon as a scheme to confiscate land titles to take what the owner had invested in land. But Single Taxers never liked that word "confiscate."

### RED CROSS SEAL FIGURES

Few people have any conception of the magnitude of Red Cross Christmas Seal sale campaign. 325,000,000 seals have practically been distributed in every state and territory in the Union. Every effort is being put forth to sell 100,000,000 seals. This will mean $1,000,000 for the anti-tuberculosis campaign in the United States. The Kent County Association have distributed 40,000 seals up to date, their allotment being 50,000 Many encouraging letters have been received from different parts of the county, signifying the great interest in this campaign. Let everybody work until Jan. 1st, to help secure the services of a visiting nurse for Kent county.
