TERMS—$1.50 per year; 75 cents for six months; 50 cents for three months, in advance Single copies 5 cents.

SATURDAY, JULY 17, 1920

Chestertown tax rate is 75 cents on the $100. This is much less than most of the towns in the State. Easton and Elkton have just declared a rate of $1.00.

Former Senator Marion V. Brewington, of Salisbury, respected and loved by thousands of people throughout this and other states, died at his home on West Isabella street at 11.50 o'clock on Saturday morning. We knew him well and recognized in him a polished gentleman, learned editor and a warm friend.

A meeting of tax-payers at the office of J. W. Russell in Chestertown last week and a committee appointed to investigate the causes of the high tax rate here and recommended a remedy or a way to avoid unnecessary expenditures. The whole expense account will be published soon, then the tax-payer will see for himself where the money goes or has gone.

The Democratic platform was declared Wednesday night by an official committee of the American Federation of Labor to "mark a measure of progress not found in the platform of the Republican party." The planks "written into the Democratic platform more nearly approximate the desired declarations of human rights than do the planks found in the Republican platform," the committee asserts, after a thorough analysis of the Democratic platform.

The Farmer-Labor party, born of a fusion of numerous political groups chose Parley Parker Christensen, a Salt Lake City attorney, and Max S. reserved the big excursion honse on President and Vice-President nominees respectively. A group of dissatisfied delegates, formerly allied with the Committee of Forty-eight, met and considered placing their own ticket in the field under the forty-eight banner.

The new party's Presidential nominee was born at Weston, Idaho, 49 years ago. Prior to 1912 he was ranked as a "Dolliver" Republican but allied himself with the Bull Moose in that year.

Here is the telegram: "Hearty congratulations on your nomination, and I predict your election by an overwhelming majority," Sheppard wired Cox.

The attention of our readers is directed to the advertisement of Western Maryland College appearing in this issue. This institution located at Westminster, Md., begins its fifty-fourth year September 20th, 1920. It has made a record for thoroughness and efficiency not excelled by any in the State. Its beautiful location in the highlands of Maryland, its excellent equipment in buildings and grounds, its well-trained faculty, its up-to-date courses of study, and its charges kept down to reasonable terms make it an attractive place to get an education.
