WORTON
Worton Grange wants to announce the fact that it is still on the map, although nothing has been heard from us for quite a while. Next Monday afternoon we have arranged a meeting on Bro. Ralph Williams' lawn in form of a picnic. Every member of our Grange is requested to be present and bring their friends. The fun will start at three o'clock when Bro. G. E. Nichols assures us of an interesting ball game probably between the married and single men of the Grange. There will also be tennis, croquet and other amusements, so that no one will be left out at 5.30 o'clock. Sandwiches, ice cream and cake will be served by the ladies. Mrs. W. M. Hadaway will have charge of the evening's entertainment, so an enjoyable time will be had by all whose good fortune it is to be able to be present. Each member is asked to bring sandwiches and cake. Worton M. E. Sunday school has decided to have their picnic at Tolchester, Wednesday, August 10th, if the weather is stormy next day. Everybody is invited to attend.
Mr. and Mrs. George Dihelin, of Philadelphia, are spending sometime at the home of her sister, Mrs. Ralph P. Williams. Mr. and Mrs. Williams accompanied by Mr. and Mrs. Dihelin spent the week-end with friends in Washington.
Little Miss Neva Nichols is spending the week with relatives in Greensboro.
Misses Catherine and Carla Loller have returned home from a very pleasant visit to Baltimore.
Mrs. Ralph Robinson and son are spending the week at Betterton.
Misses Kathryn and Marion Willis, of Church Hill, are visiting friends in Worton.
Miss Alberta Jewell, of Chestertown, spent last week with her cousin, Miss Grace M. Dodson.
Miss Travis Bolin, of Kennedyville, has returned home after spending a pleasant week with Miss Margaret Hackett.
Miss Harriett Walls, of Kennedyville, is spending part of her vacation at her grand parents, Mr. and Mrs. Charles Copper.
Little Miss Clara L. Dwyer spent a few days with her cousin, Master Carroll Loller, this week.
A few more days of good weather will finish threshing in this neighborhood.

CARDUI HELPED REGAIN STRENGTH
Alabama Lady Was Sick For Three Years, Suffering Pain, Nervous and Depressed—Read Her Own Story of Recovery.
Paint Rock, Ala.—Mrs. C. M. Stegall, of near here, recently related the following interesting account of her recovery: "I was in a weakened condition. I was sick three years in bed, suffering a great deal of pain, weak, nervous, depressed. I was so weak, I couldn't walk across the floor; just had to lay and my little ones do the work. I was almost dead. I tried every thing I heard of, and a number of doctors. Still I didn't get any relief. I couldn't eat, and slept poorly. I believe if I hadn't heard of and taken Cardui I would have died. I bought six bottles, after a neighbor told me what it did for her.
"I began to eat and sleep, began to gain my strength and am now well and strong. I haven't had any trouble since. I sure can testify to the good that Cardui did me. I don't think there is a better tonic made and I believe it saved my life."
For over 40 years, thousands of women have used Cardui successfully, in the treatment of many womanly ailments.
If you suffer as these women did, take Cardui. It may help you, too.

Ford
THE UNIVERSAL CAR
ANNOUNCEMENT
Mr. Edsel B. Ford, President of the Ford Motor Company gives out the following statement:
"Another reduction has been made in the list price of all types of Ford Cars and the Ford Ton Truck to take effect immediately. The list prices f. o. b. Detroit, are now as follows:
Touring Car.....\$415.00 Runabout.....\$370.00
Coupe.....695.00 Sedan.....760.00
Chassis.....345.00 Truck.....495.00
Fordson Tractor \$625.00.
The big reductions last fall were made in anticipation of low material costs which we are now getting; the benefit of, and this fact together with increased manufacturing efficiency and the unprecedented demand for Ford Cars, particularly during the past three months permitting maximum production, have made another price reduction possible immediately.
"Ford business for April and May 1921 was greater by 56,633 cars and trucks than for the same two months in 1920.
"During May we produced 101,424 Ford Cars and Trucks the biggest month in the history of our Company. 4,000 cars per day will be produced in June.
"The Fordson Tractor is still being sold at less than cost of production—therefore no further cut in the price of tractor will be made at this time.
