

DARLING BABY BRIGHTENS HOME

Children's Laughter a Pleasing Sound

Altoona, Pa.—"I am writing to tell you what Lydia E. Pinkham's Vegetable Compound has done for me. We had six children die almost at birth. From one hour to nineteen days is all they have lived. Before my next one was born I took a dozen bottles of your Vegetable Compound, and I can say that it is the greatest medicine on earth, for this baby is now four months old, and a healthier baby you would not want. I am sending you a picture of her. Everybody says 'That is a very healthy looking baby.' You have my consent to show these few lines to anybody." Mrs. C. W. BENZ, 131 3rd Avenue, Altoona, Pa.

Mrs. Janssen's experience of interest to childless wives.
Millston, Wis.—"I want to give you a word of praise for your wonderful medicine. We are fond of children, and for a considerable time after we were married I feared I would not have any. I began taking Lydia E. Pinkham's Vegetable Compound, and it strengthened me so I now have a nice, strong, healthy baby girl. I suffered very little at childbirth, and I give all the credit to your medicine, and shall always recommend it highly." Mrs. H. H. JANSSEN, Millston, Wis.

Mrs. Hold of Marinette, Wis., adds her testimonial for Lydia E. Pinkham's Vegetable Compound. She says:

Marinette, Wis.—"I was in a nervous condition and very irregular. My doctor advised an operation. My husband brought me one of your booklets and asked me to try Lydia E. Pinkham's Vegetable Compound. It overcame my weakness so that I now have a healthy baby girl after having been married nine years. I am glad to recommend your medicine, and you may use my letter as a testimonial." Mrs. H. B. HILL, 330 Jefferson St., Marinette, Wis.

There are many, many such homes that were once childless, and are now blessed with healthy, happy children because Lydia E. Pinkham's Vegetable Compound has restored the mother to a strong and healthy condition, as it acts as a natural restorative for ailments as indicated by backache, irregularities, displacements, weakness and nervousness.

Women everywhere should remember that most of the common ailments of women are not the surgical ones—they are not caused by serious displacements or growths, although the symptoms may be the same, and that is why so many apparently serious ailments readily yield to Lydia E. Pinkham's Vegetable Compound, as it acts as a natural restorative. It can be taken with perfect safety and often prevents serious troubles.

Therefore if you know of any woman who is suffering and has been unable to secure relief and is regretfully looking forward to a childless old age, ask her to try Lydia E. Pinkham's Vegetable Compound, as it has brought health and happiness into so many homes once darkened by illness and despair.

More Scripture Reading.

To the Editor of the Kent News: What has become of the bible students and their questions? I have been interested in these questions and answers but find in the last two weeks they have disappeared. I believe these questions are educational and all of the readers of the News can get knowledge from them. We read in the bible these words: Search the scriptures for in them ye shall have eternal life, and they are they which testify of me. John 5, 39. And the prophet Isaiah tells us how to search them. He says: For precept must be upon precept; line upon line here a little, and there a little; Isa. 28:10. If we only read the Gospel of Matthew we would not get the complete story of Christ. We must read Mark, Luke and John. These men wrote these gospels many years after Christ. Matthew wrote his six years after, Mark A. D. 10 years, Luke A. D. 23 years, John A. D. 65 years. Each one got the complete story of his work we have to search the four books. The angel told Daniel: Shut up the words and seal the book, even to the time of the end; (many) shall run to and fro, and knowledge (shall) be increased. Dan. 12:4. The angel did not tell Daniel what this knowledge would be so we must search the scripture and see if any of the writers of the bible knew. The prophet Nahum tells us what we can see daily in the city's which were not there a hundred years ago. He says the chariots shall rage in the streets, they shall justle one against another in the broad ways; they shall seem like torches, (the bright head lights) they shall run like the lightnings. Nahum 2:4. So by searching the scripture we find what the angel meant when he told Daniel that knowledge would increase, not only in automobiles, and electric cars, but in implements of war and many other ways. So Mr. Editor, encourage through your good paper the bible students to ask and answer bible questions. The last question that was asked in your paper of July 30 by Kathryn E. Wallis: In what verse in the bible are all the letters of the alphabet (j) was not answered, the answer is found in the 21st verse of the 7th Chapter of Ezra. To start these questions again I wish to ask what is the name of this man, and where in the bible is this scripture found. And it came to pass, as they were burying a man, that, behold, they spied a band of men; and they cast the man into the sepulchre of him; and when the man was let down, and touched the bones of him, he revived, and stood upon his feet. Give the name of the man who made the iron axe swim. Tell us where in the bible is the telephone spoken of. Is the word Sunday in the scripture if so give the verse. JOSHUA THOMAS, Rock Hall, Md.

Be CONSIDERATE OF THE TELEPHONE GIRLS

Telephoning in hot weather is not pleasant exercise, and when one has held the phone to his ear for five minutes, he hangs up the instrument with a sigh of relief. But the girls in the telephone exchange keep the instrument to their ears for hours at a time, and the tax on their nerves and patience is something dreadful, we fancy. Let us all keep the fact in mind when using the telephone in this trying season and be as considerate as possible of the girls in the exchange. Speak to them in a pleasant tone of voice; give your orders as clearly as possible; be patient, if there is a little delay in making the connection, or if mistakes are made, which sometimes are unavoidable, and please do not scold. We speak for the girls. They cannot speak for themselves. Be merciful and kind to them. Deal with them gently and considerately, for in so doing you will not only make their irksome tasks easier, but you will get a better service.

The standard tire likes nothing better than to prove its service

PEOPLE used to be secretly envious of the young fellow who came tearing up the street and stopped his car with a jerk.

Now they are inclined to criticise such abuse of tires. A mark of the growing consciousness about tires—their service, their work, their value.

This same respect for a good tire is the reason why the four-square tire dealer has passed up odds and ends, "job lots", "seconds", "cut prices"—and come out squarely with the standard quality service of U. S. Tires.

He is getting a bigger, and also better, tire business than he ever had before.

He is dealing now with his own kind

Better paint for less money

PEOPLE who know good paint wonder how we can sell such extra high-grade paint as Certain-teed for such reasonable prices.

Very simple! The Certain-teed business is enormous. Besides paint and varnish, they make the well known Certain-teed Roofing and Linoleums. They are not wholly dependent on paint profits. Therefore, they can afford to make a very small profit on everything they make.

Each color is priced according to what it cost to make that particular color. This means that all colors are cheaper than other high grade paints, and many colors very much cheaper.

You can't buy better paint than Certain-teed. It is made only from the highest grade materials. The formula is printed on every can. You will find that Certain-teed paint spreads better and lasts longer than ordinary paints. We have the right Certain-teed Paint or Varnish for everything inside and outside your house. See us before you paint.
