"WAY DOWN EAST" AN OUTSTANDING ACHIEVEMENT

The special engagement of D. W. Griffith's wonder spectacle, "Way Down East," opens Thursday, May 11 at the Lyceum Theatre, Chestertown, for a stay of three (3) days only. This is the outstanding achievement of the theatrical year and to miss it is to pass by the event of the current season. "Way Down East" is a new art form combining drama motion picture and music into a combination of stirring appeal, passing through the four seasons in New England and bringing back those quaint and delightful folks who made stage history when Lottie Blair Parker and Jos. R. Crismer introduced this familiar drama to stage-land. D. W. Griffith picks up the well known tale where the original dramatists were content to climax it and carries the action forward so intensely that it culminates in the most thrilling scene ever revealed in a theatre in the world. For sheer beauty of landscape and for its realism of atmospheric surroundings "Way Down East" in Griffith's hands becomes a classic and its engagement is sure to arouse the same wonderful interest that has attached to it in every quarter where it is now being presented with a measure of success that is not short of astounding.

Deputy Sheriff Leon Walbert has resigned his position here and gone to Wilmington, where he has secured a position.

The Owens-Lans Co. was the low bidder on road Ccelton to Earleville 2.39 miles at \$50,989.50.

D.W.GRIFFITH presents "WAY DOWN EAST"

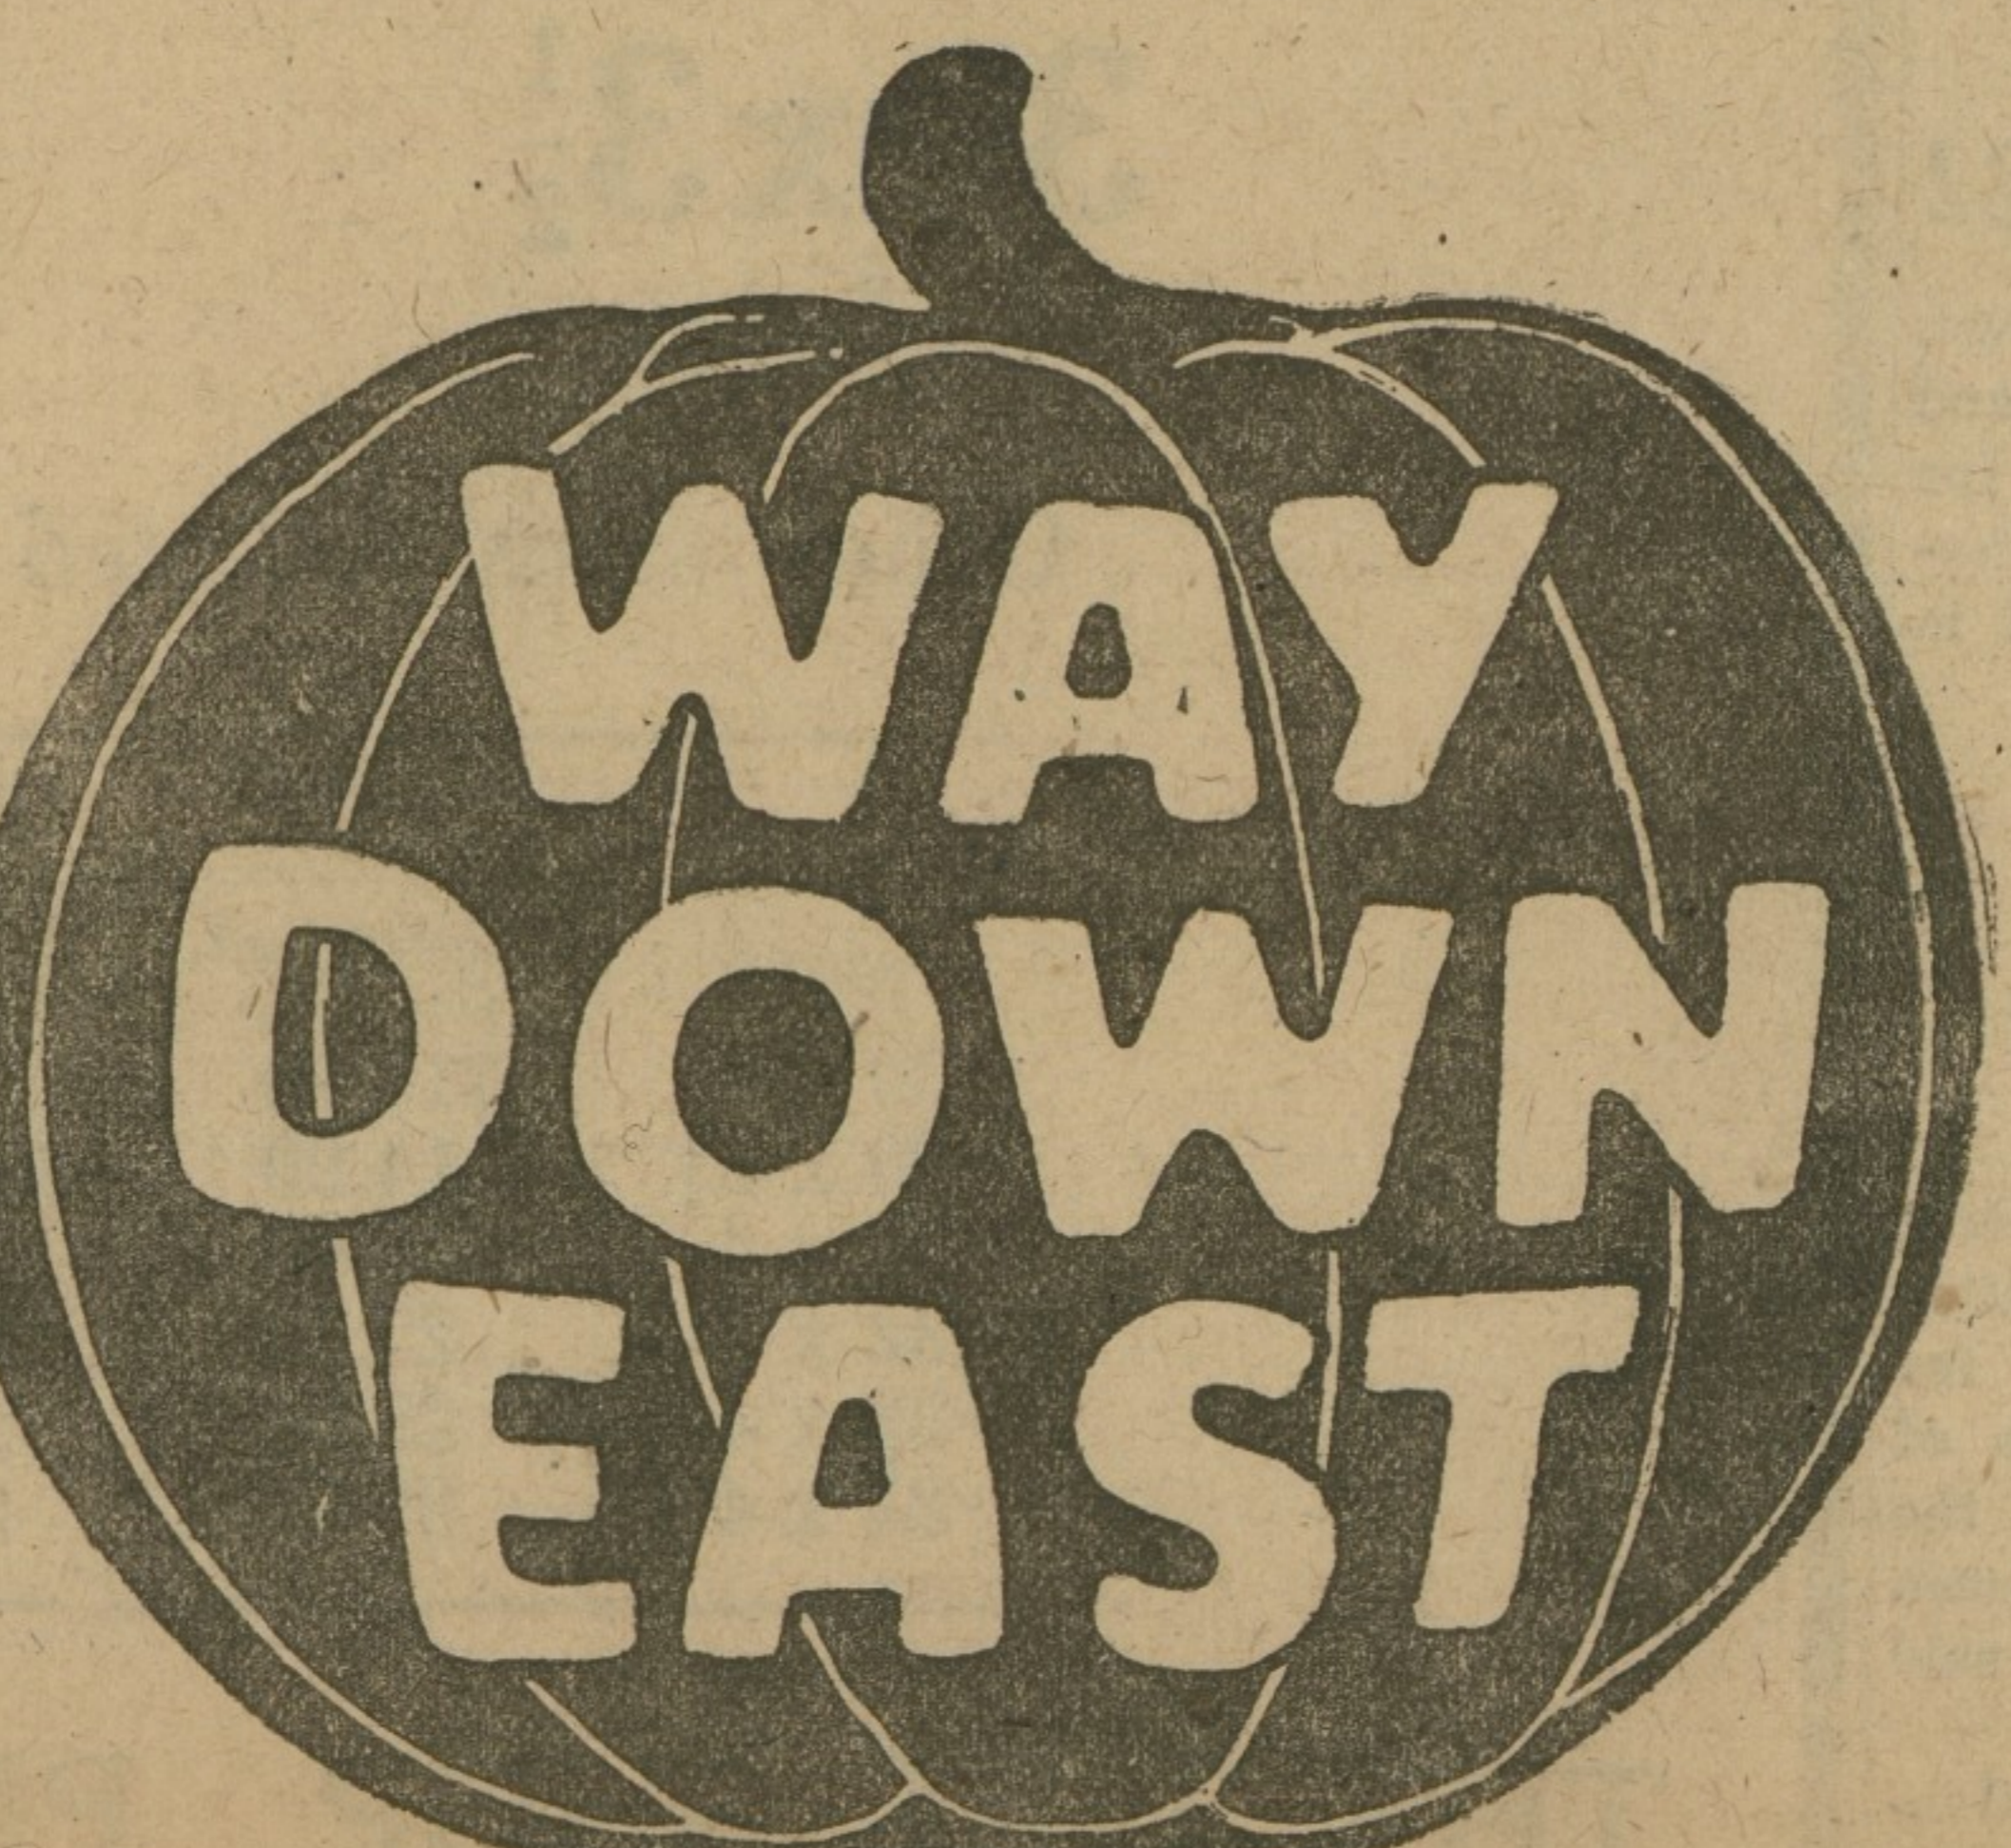

Based on Wm. A. Brady's Famous Play by Lottie Blair Parker and Jos. R. Crismer

It's a simple story of plain folks—the greatest of all Griffith plays—uncommonly well done and with breath-taking effect.

Every audience has set spellbound through the unfolding of this great production.

With its humaneness and its story of unusual love, its thrills and its pathos, it stands alone in the field of spectacular pictures.

The all star cast which carries out the story quite eclipses any cast that ever appeared in this piece on the speaking stage.
