**SPEAKERS OF INTEREST TO
 THE KENT CO. FARM HOME**

The Second Annual Farmers' Day Picnic of Kent County will be held at Washington College on Wednesday, August 23rd. The Kent County Council for Home Demonstration Work in co-operation with the University of Maryland Extension Service have arranged to have Miss Grace Frysinger of the Department of Agriculture, to speak in the interest of the farm home. Miss Frysinger will talk in the afternoon. All Kent County women should hear her.

The program committee have also arranged to have Miss Engle, of Baltimore, to talk at 10 a. m., in William Smith Hall. Miss Engle is a most splendid speaker. It was Miss Engle who planned the Pan-American meeting in Baltimore last spring. The meeting will be of interest to men as well as women. Her subject will deal with "Citizenship." Aside from these splendid speakers every Woman's Club is requested to get the members and their families together and have a community picnic. We should have at least eight community gatherings on the campus. Bring your lunch and have a real old-fashioned picnic.

CRUMPTON

Mrs. Stella White and daughter, of Linwood, Pa., spent the week-end with Mr. and Mrs. O. N. Walls. Mr. and Mrs. R. H. Cannon, Mr. and Mrs. Edward Porter and Mr. and Mrs. Palmer Hemmonds spent Sunday at Denton camp.

Edward Marshall has returned to his home in Chester, after a short visit with his uncle, Arthur Hook. Mr. and Mrs. Thomas Sheets and children, of Baltimore, are spending the week at the home of Mr. and Mrs. Peter Creswell.

Crumpton is to have a new bridge forced on it—as a matter of course. Half of the bridge belongs to Queen Anne's county and half to Kent county. Some of our citizens were so egotistical as to want a cement bridge. That's the way, give a beggar a horse and he'll ride himself to death. Other towns may have their State road and schools made possible to them by the taxpayers, but God made possible a river for Crumpton—that's why we have it. And he so deeply entrenched it that present indications are that it will always remain here. No matter what happens Crumpton people can always go to the river. Not a pleasant retrospect. However, Crumpton cannot expect to have bridges—or much of anything else—until it is cemented as a district.

Rev. Rowleson and family are spending their vacation on Tilghman's Island.

Howard Ryland spent a part of the week with his parents, Mr. and Mrs. Davis Ryland.

Mrs. James Black, of Wilmington, is visiting Mrs. Perry Lynch.

Mrs. Emma Harrison and Miss Annie Harrison are spending the week at Atlantic City.

Mrs. Hope Malin, of Chestertown, has been visiting Miss Katie Wallis.

The 650-acre farm in the First district known as the Foxwell farm is being divided into two farms by the owner, Thomas W. Eliason. On account of labor conditions the single tract is too large for proper cultivation by one tenant. For years this farm was the home of the late Senator Garrett Foxwell.

While enroute from the Aberdeen Proving Grounds to Annapolis, Wednesday, an aeroplane had trouble and when landing in a field on the farm of Mrs. Walter Morris, near Chestertown, ran into a barbed wire fence and broke a propeller. Two planes came to the relief of the disabled one, who remained here until Thursday.
