WM. CABELL BRUCE will make a worthy representative of Maryland in the U. S. Senate.

If nominated by the Democrats he will be elected.

Hon. John Walter Smith has declared for Bruce because he says that Bruce can be elected and will make an able United States Senator.

"The position of Gov. Albert C. Ritchie is this—he recognizes that the nomination of Mr. Bruce is not only for the best interests of the party, but that his election will be for the real interests of the State, and he has not hesitated to express himself along these lines to his friends."

Wm. Cabell Bruce is a believer in the

"LEAGUE OF NATIONS."

He is a friend of Woodrow Wilson, both of them being Southern Democrats. In fact they were in the same class at University of Virginia and have been intimate ever since.

The Democrats of Maryland by nominating Bruce has the chance to recover for Maryland the prestige formerly held in the counsels of the Republic.

Notice of Redemption of 4% Victory Bonds

DECEMBER 15, 1922

We have just received a notice from the Secretary of the United States Treasury that all of the 4% Victory Notes, which bear the distinction letters, A, B, C, D, E, and F prefixed to their serial number, will be called for redemption on December 15th, 1922.

Interest on all the above 4% Victory Notes thus called for redemption will cease on said redemption date, December 15th, 1922.

The balance of the Victory Notes bearing the distinction letters G, H, I, J, K, or L, prefixed to their serial number will not, in any manner, be effected by this call for redemption and will become due and payable May 15th, 1923, according to their terms.

We would therefore call your attention to those holding Victory Notes up to any including letter F, that no interest will be paid on these bonds after December 15th.

Any of our friends who desire to cash in their bonds before Dec. 15th, 1922, this Bank will be very glad to dispose of them at market value less usual brokerage fee, etc with accrued interest from their last interest date.
