SHOOT FOWL FROM PLANE

Unlawful shooting of wild fowl from a hydro-plane is the sport indulged in by an unknown aviator who recently invaded the hunting shore off Kent Point, on Kent Island, and bagging four swan. Witnesses testify to the statement that the birds were killed by someone firing from the cockpit of the aerial craft.

A heavy penalty is provided by law for those who kill swan, but so far as can be learned no clue has been found to the indentity of the aerial law-breaker. The wild fowl were feeding off Kent Point when the plane swooped down upon them, and almost before they were in full flight a shot-gun was discharged among the flock, dropping four of them.

Skillfully maneuvering his machine the pilot dropped to the water, gathered up his prey and departed again before startled witnesses could make the slightest effort to discover his identity. It is stated that the plane is believed to have been a government machine and that efforts will be made to trace the violator through naval channels.

It is also reported that government officials have been having fine sport on Poole's Island killing all kinds of game. The game warden has tried to visit the Island but cannot obtain a permit. Isn't it about time Uncle Sam was called to account.

Masons Will Meet Here This Year.

Representatives From Lodges In Three Counties Enjoy Annual Banquet.

The Tri-County Pastmasters Association, consisting of the pastmasters of all Masonic lodges in Talbot, Queen Anne's and Kent counties held its annual session at Granite Lodge room, St. Michaels on Friday the 28th. W. D. J. Morris, of St. Michaels is President of the Association, Philip H. Hope, of St. Michaels is Secretary and Roscoe Wheatley, of Easton, Treasurer. Twenty-five members were present and conferred the pastmasters degree upon the newly elected masters of the Masonic lodges of these three counties. At the close of the work in the lodge room, the members repaired to Hotel Chelsea where a sumptuous banquet was served. The President acted as toastmaster and responses were made by James P. Keating, of Centreville, Frank Ross, District Inspector, Roscoe Wheatley, Junior Grand Warden of Maryland, H. B. Wright, Deputy Grand Lecturer of Preston, and Rev. H. L. Murphy, of St. Michaels. The newly elected officers for the ensuing year are Wm. B. Usilton, of Chestertown, President, and Prof. Owen C. Blades, of Chestertown, Secretary. Mr. Wheatley was re-elected Treasurer. The association will meet next year in Chestertown.

Through his attorney, Wm. Frazier Russell, Esq., a suit for $10,000 damages against Richard Haggerty, of Kennedyville has been filed by Sheriff Goodman, of Kent county. The son of Mr. Goodman had his leg broken by Mr. Haggerty's auto in the fall.

A FORMER KENT COUNTIAN

Wallace Kilbourne, a former citizen of Fairlee, and a member of the late firm of Kilbourne & Bramble, now of Muskogee, Okla., was a welcome caller at the News office this week. He notes many changes have taken place in his "old home land" in the five years he has been in his "new home" in the Middle West. He is in the wholesale candy business, his firm being The Kilbourne-West Candy Company, wholesale and incorporated. He is highly gratified with his candy business and is very much enthused with the West.

It will be remembered, that Wallace is the son-in-law of Mr. and Mrs. Azariah M. Kendall with whom he makes his home. He has this to say about Oklahoma. This year Oklahoma will produce 115 million dollars worth of cotton. There will be five million dollars worth broom corn. The poultry produced this year will reach thirty million dollars. The State is ever increasing in production. Seventy-two million dollars more this year than last means thirty-five dollars for every man, woman and child and that from the increase alone. Each year the soil, the sunshine, the rains and the winds come along in regular order and produce more and more wealth.

True, civic and political conditions in our State have been somewhat disturbed during this year, due to an approaching storm. The force and fury has been broken by the impeachment of the socialistic Gov. J. C. Walton. This thunder and lightning was caused by the needless proclamation of marshall law issued by Gov. Walton because of Klu Klux activities. The press over the country in ignorance of the true conditions in Oklahoma have pictured us as a crude, raw people, who must be governed with the bayonet. People in other States, because Oklahoma, "the true Oklahoma's Case," has not been presented to them just right, visualize our cities as pioneer towns, the streets lined shacks, and the State, where the heroic cow-boy and the out-law meet to shoot it out. Such is not the case.

EARLEVILLE ITEMS

Mr. and Mrs. George R. Moffett, at Earleville, celebrated their 25th wedding anniversary, Monday evening, December 31st. A supper was served to a large number of relatives and friends, the rooms were tastefully decorated with holly and Christmas bells, the gifts were both lovely and useful consisting of silver, linen, etc. Music was furnished by Messrs. Moffett and Sproat, the guests danced the Old Year out and the New Year in. Departing for their homes with best wishes to their host and hostess, and many returns of the day.

Mrs. John Moffett, of Kent county, spent the day, Monday, with Mrs. George Moffett at Earleville.

THIS WOMAN RELIEVED FROM SUFFERING

By Lydia E. Pinkham's Vegetable Compound. A Remarkable Story

Dover, Del.—"I wish every woman would take your wonderful medicine as it has done so much good to me. I had cramps and faint spells and very bad pains. One day I was over to my neighbor's house and she told me I ought to take Lydia E. Pinkham's Vegetable Compound. So I went to the store on my way home and got a bottle, and took the first dose before supper. I have been taking it ever since, and you can hardly believe how different I feel. I had just wanted to lie in bed all the time, and when I started to brush up I would give out in about ten minutes. So you know how badly I felt. I used to go to bed at eight and get up at seven, still tired. Now I can work all day and stay up until eleven, and feel all right all the time. My housework is all I do in summer, but in winter I work in a factory. I have told a good many of my friends, and I have had three come to me and tell me they wouldn't do without the Vegetable Compound."—Mrs. SAMUEL MURPHY, 219 Cecil St., Dover, Delaware.
