The Citizens Bank
OF CHESTERTOWN, MARYLAND.

TO THE PUBLIC:

On December 31st, 1923, and on November 7th, 1923, the National Government called for a statement from all National Banks. On the same date the State of Maryland called for statements from all State Banks.

On Nov. 7, 1923, The Citizens Bank Showed Total Assets $219,746.18

On Dec. 31, 1923, The Citizens Bank Showed Total Assets $225,724.23

An examination of all the statements of State and National Banks in Kent County will show that the Citizens Bank of Chestertown is the only Bank which showed larger assets on December 31st, 1923, than on November 7th, 1923.

There was no money borrowed by this Bank in either statement which would have swollen its total assets. Examine the statements of all the Banks and then bear same in mind.

WE WANT YOU TO WATCH THIS BANK GROW

We are proud of the fact that we have so organized and placed this Bank in such a position that its roots are deep and the Bank has grown from nothing, on September 4th, 1922, to total assets of $225,724.23 on December 31st, 1923. We invite your deposits. In spite of criticism and profits of evil omen, our capital stock and surplus represent CASH MONEY. If we have any bad debts we do not know it. In three years we expect to be the largest Bank in Kent County.

We invite you to become a depositor. Remember that this is the ONLY BANK WHICH PAYS 4½% INTEREST ON SAVINGS DEPOSITS. There is a reason for our growth and in the future there will be more reasons. THEREFORE, WATCH US GROW.

Annual Tomato Discussion

The Chestertown court room was filled with farmers Friday afternoon who held the annual tomato discussion. Albert Jervis, of Still Pond, presided, while Wm. G. Smyth, secretary of the Farm Bureau, acted as secretary and helped in the working out of the problems. County Agent Derrick also took part.

Wm. G. Smyth stated that of the 5,500 acres usually grown in the county 3,517 acres had been signed up by the farmers, which is regarded as 80 per cent of the total acreage exclusive of the amount grown by the colored farmers. This will enable the county to become a member of the pool composed of Kent, Queen Anne's, Caroline and Talbot counties, and the price to be demanded of the packers in all the counties of the pool will be 30 cents a basket.

Over in Harford the "Aegis" says, "Some farmers, knowing that all thrifty canners have had two successful seasons in succession, are out to boost the price of raw fruit to 45 or 50 cents. On the other hand brokers and canners insist that the price should remain at last year's price of 40 cents, using as their argument that some western canners have contracted for fruit at 30 cents.

When the final showdown comes farmers and canners alike must remember that they are mutually dependent upon one another. Neither one can afford to drive so hard a bargain it will practically guarantee keeping the other from making a profit this year, and thus drive him out of the game next year."

THE DRIVE IS ON

Washington College $250,000 Endowment Fund Campaign, Allan A. Harris, Chairman of Kent County.

Washington got under way with its Endowment Campaign last week. The preliminary organization in charge of G. W. Williams has made a substantial start in carrying out organization plans.

The nine counties of Maryland on the Eastern Shore will be organized for an intensive campaign. Committees-at-large will include all other territory where the college has Alumni; Delaware, Eastern Virginia, Western Shore, Baltimore, Philadelphia, New York City and other points.

The expenses of the campaign will be taken care of out of a special campaign fund contributed by friends of the college. This will leave every dollar contributed to the Endowment Fund intact.

Kent county is fortunate in having its chairman of the County Organization, Allan A. Harris, of Chestertown. In this county, where the college is located, will be conducted the most intensive type of a campaign. The organization will have a committee from each of the districts and will present the appeal to every citizen.

Campaign headquarters have been opened in the Imperial Hotel Building, Second Floor, Telephone 306 M., Chestertown, Md. Friends of the college are invited to come to headquarters. Suggestions will be welcomed and information given.

MONEY TO LOAN

Money to loan on real estate mortgages. JOHN D. URIE, Attorney. m31

"And Down Again Tomorrow —!"

He can't quit work—can't rest—he must keep going—regardless of his physical condition, or the weather—down to work and home again—down again to-morrow. Pretty hard on a man of his age—sixty or thereabouts. The outlook is gloomy—and he knows now that it was his own fault.

A few dollars each month put into a savings account during the years when his earning powers were greatest would have made conditions entirely different from those in which he finds himself to-day.

Youth—young men—young women and you middle-aged married men and women, look well upon this illustration and make the resolve to join the thousands of thrifty folks who regularly save part of what they make.

It is a guarantee of peace and plenty in old age.
