You'll like the mild, delicate flavor of this ham

THE method of curing determines the flavor of the ham more than any other factor in its preparation. The *expert* cook must have a *good* ham to start with.

Whether baked or boiled or broiled—whether served hot or cold—Corkhill Ham responds to the cook's efforts wonderfully.

It's mild and delicate in flavor—Ready to bake without parboiling.

Ask your dealer. He has it, or can get it for you easily.

Minstrel Show In Town

The minstrel show given in Chestertown Lyceum Tuesday evening by the Young Men's Bible Class of the M. E. Church was largely attended and enjoyed by all. The program was as follows:

Minstrel Circle—Interlocter, J. E. Pennington; End Men, J. E. Barnes, Howard Reed, C. M. Newcomb, Julian Coleman; Soloists and Chorus, Norman Graves, McCall Rasin, Nelson Cecil, Harold Baker, Calvin Hastings, Clarke Davis, E. R. East, Jas. Kirby, Stewart Price, Howard Pennington; pianist, Mrs. McCall Rasin.

Gill Bros. Formula Is An Open Secret

A young man once suggested "that we sell our formula for Gill Bros. Ice Cream to manufacturers in other towns who wanted to know how to make Ice Cream as Chestertown enjoys."

We told him we had no formula to sell. Any chemist could readily analyze Gill Bros. Ice Cream and find just how we make so delicious in flavor, so rich and so pure.

Gill Bros. Ice Cream contains the same choice fruits, nuts, berries available to any other ice cream manufacturer.

More than this, it is made from our pure cream furnished in constant plenty from the pasteurized output of our private sources of superior milk supply.

Above all, it is produced with all possible skill and care to maintain the GILL BROS. reputation for highest quality—and to keep faith with a public that has put the stamp of approval on our daily production. There is no richer, no better flavored, no purer ice cream anywhere.

For Continuous Service

The Central Office Operator

FORTY-EIGHT years ago the telephone was a toy, thought by many to have no commercial value; today it is an indispensable factor in our daily lives. Day in and day out the flashing of myriads of tiny lamps, the calling signals, on the switchboards continue, and day in and day out the operator must be on the job.

¶Good telephone service is only possible because the central office operator is intelligent, willing and interested in her work.

¶From expecting little, the American public has been educated to demand a high quality of service, and gets it ---the most efficient in the world.

Aptly has the telephone been called "The Sentinel That Never Sleeps"

SEED

Every year presents new crop and market conditions to the Seed trade.

This year we are confronted with short crops of Red Clover due to less acreage last year and a poor yield. We have made a careful study of conditions from Government and Trade Paper reports, and know that we are in a position to sell you Quality Seed as cheap as they can be bought from any source. We have Seed on hand now, and will be glad to show them to you in the bags, so you are sure of what you are to get.

Sweet Clover
Orchard Grass

Permit us to call special attention to the lots of Sweet Clover and Orchard Grass.

This Sweet Clover is 99.19 pure with 94 per cent. growth. As fine a lot as we have ever seen.

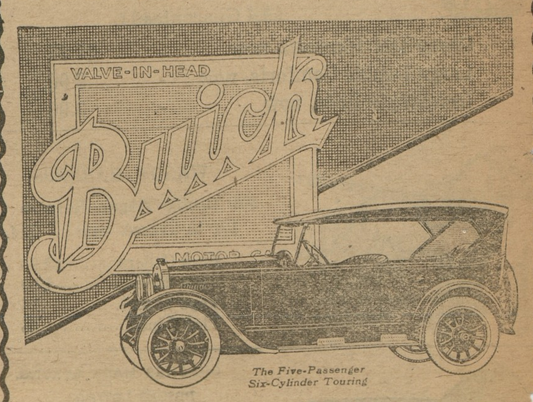

The Orchard Grass is 90 per cent. pure and 90 per cent. growth—a very fine lot.

Let us talk with you about what Seed you will need this year.

Buick Character Makes Buick Value

Buick value is something more than appears on the surface. It is more than the excellence and beauty of Buick design—more than the greater riding comfort, power and safety that Buick provides. Buick's value comes from the sum total of all those Buick qualities and traditions which together make up Buick character. A Buick owner fully appreciates Buick character. He knows the dependable, satisfying and trouble-free transportation which Buick gives, however long or however far a Buick owner may elect to drive his car.
