## MY DAUGHTER WOULD CRY AT EVERYTHING

**Nervous and Irritable. By Taking Lydia E. Pinkham's Vegetable Compound Became Entirely Normal**

Clinton, Wisconsin.—"My daughter was in a very run-down condition, and was irritable, and would cry at every little thing she was so weak and nervous. As Lydia E. Pinkham's Vegetable Compound had helped me when I was a girl I gave it to her to build her up, and the results were all that we could wish for. I wish that every mother with growing girls would try it for these troubles girls often have. I had taken it myself before my girl was born, and she was one of the nicest babies any one could wish to have. I recommend the Vegetable Compound to women and girls and cannot praise it too highly."—Mrs. I. A. HOLFORD, Box 48, Clinton, Wisconsin.

Mothers can depend upon Lydia E. Pinkham's Vegetable Compound to relieve their daughters of those troubles they so often have. They know from experience the value of the Vegetable Compound in the treatment of these complaints and many, like Mrs. Holford, give it to their daughters.

## BALTIMORE LADY TELLS OF REGAINING HEALTH

**Mrs. Schmidt Was Run Down Following Attack of Pneumonia—Gained 15 Lbs. Taking Tanlac.**

That Tanlac is now selling at an aggregate of several million bottles per year is unmistakable proof of one thing and that is, Tanlac's wonderful merit.

However, this incontrovertable evidence is made all the more convincing by the statements of more than 100,000 well known men and women who have publicly testified that they have found Tanlac successful in overcoming their troubles and bringing back their health and strength.

Among the people of Maryland who have contributed to this long list of testimonials is Mrs. Elizabeth Schmidt, 531 N. Belnord Ave., Baltimore, who says:

"Following an attack of pneumonia in the Spring of last year I remained too nervous and weak for anything until I began taking Tanlac. From the very time I started on Tanlac my appetite improved and my strength gradually returned. Three bottles of Tanlac increased my weight some fifteen pounds and left me feeling so well that I can speak of it only as a wonderful medicine and tonic."

Tanlac is for sale by all good druggists. Accept no substitute. Over 40 million bottles sold.

## Heard the Latest

Have you heard any of the comments all around the county about the new doctor in Chestertown? According to folks who have been to him he cures 95 per cent of all human ailments by working on the spine and spinal nerves.

Some say he practices the greatest Health System known. Others call him a fake. Those who praise him have tried him. Or some of their friends have told them of the remarkable results they obtained. Those who "knock" are the kind who knock everything new without trying it. Some day some one will knock at their bed room door, and walk in to find them "knocking" their heads against the bedstead, because they had nothing else to knock. While yet a comparatively new method in this part of the country, Chiropractic is growing by leaps and bounds and winning public confidence and favor.

If you are sick of being sick and want to get well, call on Dr. Dill, the Chiropractor, in Chestertown. You will find him honest and reliable, and anxious to rid you of your troubles. He uses no medicine, pills, massage or electricity. He traces 95 per cent of all human ailments to the spine, the great switchboard of the body.
