A FINE RECORD

John W. Barnes, who has filed the office of clerk of Chester Camp No. 8745 Modern Woodman of America for 23 years received the very flattering card from the head office located at Rock Island, Ill.:

"For the first eleven months of the year 1923 the monthly pass reports and accompanying remittances for your Camp have receached me on time—that is, on or before the 15th of the month as the by-laws require. This is a splendid record. As a token of appreciation for this service well performed, I am sending you this daily calendar for your desk. In the hope that it may be useful and convenient and that you will determine to make a similar "on time" record during the new year 1924."
