Bacon and Eggs—

year 'round breakfast dish of the nation

HOW many mornings out of the year do you have bacon and eggs? A surprising number, no doubt, if you could recall them all.

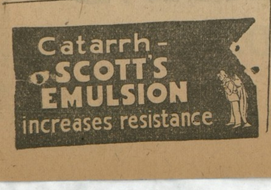

Bacon is an important factor in the diet of nearly everyone, not because a great deal is used at any one time, but because it is served so often with other foods.

And because it is used so often, you should be satisfied with none but the best. You'll like the wonderful mildness of Corkhill Brand Bacon. Ask for it at your dealer's.

Say Corkhill

All Corkhill Products are Government Inspected.

John D. Urie, Attorney.

FALSE ECONOMY

Some of us often believe we are saving money when we buy an article at a distance, priced at a few cents less than offered at your nearby dealer.

Sometimes these goods do not meet up to your expectation.

Sometimes these goods must be returned for exchange.

Sometimes you keep them against your will.

And this extra expense, inconvenience, and dissatisfaction to the first cost, also add the price of auto transportation and extra time from home duties which means about ten cents per mile. Compare your prices and average them at home. We believe you can save money at home..

"I STILL STICK TO TANLAC" SAYS BIGGER

Gave A Statement A Year Ago Praising Tonic And Still Thinks It The Best Medicine Made.

"The more I know about Tanlac the stronger I feel like praising it. I still stand by the statement I gave out over a year ago, that a better medicine can't be made. Since then I have taken three more bottles and my health is not only as good as ever it was, but I have gained eighteen pounds in weight.

"Before I ran across Tanlac my stomach had been troubling me for ten long years and I was so run down that I was losing two days at a time from my work. Tanlac really and truly made a new man of me and my gratitude knows no bounds."

The above is what George E. Bigger, 1921 Ridgewood Ave., Baltimore, has to say regarding his experience with Tanlac after a laps of of eighteen months, or more. His statement is further proof on the fact that those who once use Tanlac are always friends of Tanlac.

Tanlac is for sale by all good druggists. Accept no substitute. Over 40 Million Bottles sold. Take Tanlac Vegetable Pills.

MILLINGTON FIRE CO. REPORT

We the directors of the Community Fire Company, are so proud of the people of Millington and the adjoining towns, that we wish to make a report as follows: In February 14, 1923, three men met in the Bailey Hotel lobby and began to talk fire engine, and after that meeting eight men were taken in as directors and on March 26, 1923, gave an order to the U. S. Fire Apparatus Company for a combination engine and also to the U. S. Rubber Company, of Philadelphia, for 1500 feet of fire hose.

This was all done without one penny in hand and a short time later a set of dishes were purchased at a cost of $85 for the purpose of holding suppers.

Up to this time we have raised about $5,500 of this amount $2,782.75 was raised by public subscription, and we have a promise of about $500 which will be paid in a few weeks. We the directors, wish to take this way in thanking the people of Millington, Sudlersville, Crumpton and Massey and the community at large for the interest they have taken in the enterprise.
