A MEMORABLE OCCASION

Dr. Titsworth' Inauguration A Big Affair—Many Colleges Represented—Fine Adlresses And Music—The Public Pleased.

The subscribers to the College Endowment Fund were doubly pleased at the finish of the campaign in Kent and as they witnessed the big occasion Friday felt thankful they had done their part.

It was one of the most distinguished audiences that ever assembled at the college.—The occasion was the inauguration of Dr. Paul Emerson Titsworth, as president of the college. Preceding the exercises a reception and luncheon were given to the visiting educators, guests and alumni in the college gymnasium. The exercises were opened with an invocation by Dr. Boothe Colwell Davis, president of Alfred University of Alfred, N. Y., from which institution Dr. Titsworth came to Washington College. Col. H. Staunton Brown, of New York, chairman of the board of visitors and governors of the college, presided and delivered the initial address. Greetings from the secondary schools of the State were expressed by Dr. Holloway, State superintendent of high schools; for the colleges by Rev. Dr. Abert Norman Ward, president of Western Maryland College; for the universities by Dr. Walter Hullihen, president of the University of Delaware; for the faculty by Dr. William R. Howell, and for the alumni by Dr. James W. Chapman, Jr., of Baltimore.

In his inaugural address Dr. Titsworth spoke of the various phases of education laying particular stress upon what he conceives to be the mission of Washington College among the educational institutions of the State. He stressed the fact that Maryland is peculiarly a rural state where agricuulture and the arts of husbandry occupy mostly the attention of its population, and that the mission of Washington College, therefore, is to develop a creative citizenship which will fit men and women of today to think along lines of country life, for leadership in the home, in business, in the church, and in the school.

The exercises were closed with the benediction pronounced by Rev. O. E. Jones, superintendent of the Middletown District of the Wilmington Conference. Music was furnished by an orchestra, under the direction of Prof. John C. Bohl, of Baltimore.

Miss Kellar Addresses Women's Club

The Kent County Council for Home Demonstration Work met at the Chestertown High School on Monday, April 7th, at 1 p. m. The clubs of the county were well represented and a good number of visitors attended. Miss Venia M. Kellar, State Home Demonstration Agent, was the principal speaker. Miss Kellar complimented the clubs on the splendid reports made of club work, and discussed club work in the State from the economic, educational and social standpoint. Mrs. Merrick Clements gave a valuable talk on music in the home and added to the program by leading the women in singing some favorite old songs. Mrs. D. W. Ingersoll, vice president, presided.

FARM CLUB BOY HAS STATE CHAMPION COW

Norman E. Pennington, Of Kent County Is Owner Of Bess Colthilde Pontiac Burke, New State Champion In Three Year Old Class Of Milk And Butterfat Production.

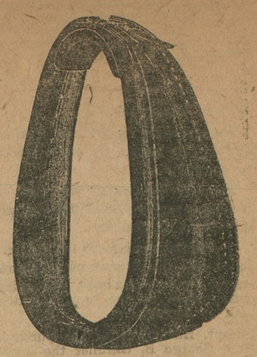

It took a Maryland agricultural club boy to bring into the limelight a new State champion in milk and butterfat production for junior three year old Holstein dairy cows.

The new claimant for State honors is Bess Clothilde Pontiac Burke whose new record of 606.1 pounds of milk and 26.6 pounds of butterfat in a seven day advanced registry test is the best ever made by a junior three year old Holstein in Maryland. Her fourteen day test, completed in March, showed a total production of 1222.5 pounds of milk and 52.026 pounds of butterfat. Her best seven days of milk production during the test totaled 645 pounds of milk.

The owner of the new title-holder is Norman E. Pennington, of Kent county, who purchased her in May, 1921, as a seven month's old heifer. Norman paid $65 for his little treasure and made the money raising tomatoes. In the fall of the same year, however, he had the pleasure of winning back the entire purchase price of the heifer on prizes which he was awarded when Bess was exhibited in the club class at the Timonium State Fair. His premiums consisted of a first prize of $40 and an additional $25 presented by the Maryland State Holstein Association.

The following year Bess Clothilde Pontiac Burke as a senior heifer again won a blue ribbon in the club class and entered in open competition took second prize in her class among all the Holsteins at the Timonium Fair. Her winnings at that time totalled $110. In the spring of 1923 she freshened and on advanced registry test made a production of 460 pounds of milk and 20.25 pounds of butterfat in seven days.

At the Timonium Fair in 1923 Bess had the pleasure of seeing her daughter duplicate her own previous performance by winning the blue ribbon in the calf club class. Later her calf went to the National Dairy Show at Syracuse and placed seventh in the strong competition of the junior club show ring.

SUFFERED FOR 15 YEARS SAYS BALTIMORE MAN

George E. Lohman Tells Of Relief From Indigestion, Nervousness, Constipation And Gives Tanlac Full Credit.

"After suffering from indigestion for fifteen years and getting rundown to a mere shadow of myself, I concluded to try Tanlac and it has certainly come up to every good word I ever read and heard about it.

"This indigestion had wrecked my nerves and broke up my sleep and rest. My arms and legs got so stiff and painful that I suffered agony when I tried to use them. Dizziness headaches and constipation also added to my burden I got to where I was forced to stay in bed three and four days at a time.

"In relieving my troubles and restoring me to normal health Tanlac has won my lifelong gratitude and praise. I simply wouldn't be without Tanlac and will gladly answer anyone who cares to hear from me personally."

The above statement was made by George E. Lohman, a well known resident of 3122 Dillon street, Baltimore, Md.
