Wonderful new method restores health without medicine or surgery.

From fifty miles around people flock to the Health Offices of Dr. Dill, The Chiropractor, for relief from their ailments.

Dr. Dill practices a natural method of restoring health by adjusting the spine, the great switchboard of the body, so that nerve pressure may be relieved, and allow nerve current to flow thru and innervate all tissues of the body.

No cases accepted that cannot be helped. Dr. Dill's motto is, honesty, and his success has been based upon nothing but honesty and fair dealing and getting the sick well.

If you are sick and have tried everything else without relief, call on Dr. Dill, The Chiropractor, Phone 326 for appointment.

THE UNIVERSAL CAR

A Welcome Member of the Family

A MOTOR car is never more appreciated than in the springtime. Its convenience and enjoyment are shared by all the family—and by speeding up the day's work, it provides more time for recreation.

A Ford Touring Car becomes a welcome member of the family. It provides every motor car essential at the lowest price for which a five passenger car has ever sold—a price only made possible by complete manufacture, in tremendous volume, in the largest and most economically operated plants in the automobile industry.

By controlling every step in manufacture, from the mining of the ore to delivery of the finished car, Ford eliminates waste and reduces vital costs to a minimum. One profit is made—hundreds are saved.

This efficiency of manufacture is accurately reflected in the quality and price of the Ford Touring car.
