Rock Hall Takes Track Honors!

Noses Out Chestertown High Athletes In Annual Kent Co. Meet.

For the first time in the history of the annual track and field championships of Kent county, the Chestertown High School athletes failed to romp off with the premier honors. The Rock Hall High School youngsters piled up a total of 139 points and were the victors of the ninth annual meet, held at Washington Field Tuesday.

The former title-holders nevertheless gave the newly crowned heroes a real run for the decision. Both Chestertown high and elementary schools trailed the Rock Hall outfit, the high school athletics accounting for 133 points, while the elementary lads were third with 70 points.

One of the most spectacular events of the day was the running high jump in the senior unlimited division. Henry Matthews, of the Chestertown High School team, clipped his own record with a leap of 5 feet 9 inches. This mark is within a fraction of an inch of the State record.
