No Misstatements Were Made

A Card to the Citizens of Kent Co.:

Ladies and Gentlemen:

I would like to say in reference to the so called eroneous statement as per the Transcript of May 10th, that every statement made in this campain as to Senator Copper's actions and the part he played when he stood up in the Senate Chamber at the joint hearing of the Fish and Game Committee of both the Senate and the House in regards to the Purse Net Bill can be substantiated of over one hundred and fifty watermen and their friends, oll of Kent county, who saw him stand like a statue before that Committee and never open his mouth pro nor con in behalf of the people who sent him to Annapolis to guard their interest against the hook and line sports of Baltimore City.

The watermen of Kent saw me go to Mr. Copper and ask him to say something in their behalf. Some of them close enough to hear him say he had nothing to say in the matter. Mr. Harrison W. Vickers, Mr. S. Scott Beck, of Kent; Mr. Chas. N. Spence, of Dorchester Connty; Senator Towers, of Caroline, and State's Attorney North, of Talbot county, had and did say something in behalf of our people. But our senator, Wm. B. Copper, was mum as an oyster.

Now as to Roads and Highways in Kent County Resolution No. 22 as presented to the Senate by Mr. Copper and printed in the Senate Journal of 1924, said resolution authorizing and requesting the State Road Commission to build the road from McLain's Corner to Tolchester Beach and his, Mr. Copper's visit with Mr. W. U. Lusby, to the State Road Commission in behalf of the road to Tolchester, explains without a shadow of doubt the past our Senator played in diverting the road from Piney Neck to Tolchester.

We, of the Old Fifth District, both precincts, stand for true Democracy. No. quibbling, we make no erroneous statement nor are we quilty of any prevarications, with no appoligies to make to any one. I am your truly,

CHARLES R. KERR,
Rock Hall, Kent County, Maryland.
