PUBLIC LOCAL LAWS

Passed at the 1924 Session of the Maryland State Legislature and applicable to Kent County.

CHAPTER 345

A BILL ENTITLED

AN ACT to add seven new sections to Article 15 of the Code of Public Local Laws of Maryland, title, "Kent County," subtitle, "Dogs," said new sections to be known as Sections 91, 91-A, 91-B, 91-C, 91-D, 91-E and 91-F and to follow immediately after Section 90 of said Article, to provide for the licensing of dogs, the protection of sheep, poultry and live stock in Kent County.

Section 1. Be it enacted by the General Assembly of Maryland, That seven new sections be and they are hereby added to Article 15 of the Code of Public Local Laws of Maryland, title, "Kent County," sub-title, "Dogs," said new sections to be known as Sections 91, 91-A, 91-B, 91-C, 91-D, 91-E and 91-F, to follow immediately after Section 90 of said Article, and to read as follows:

91. On or before the first day of July, 1924, and on or before the first day of July of each year thereafter, the owner of any dog, six months old or over, shall apply either orally or in writing to the Dog Constable of the District appointed by the County Commissioners, in which he or she resides, for a license for each such dog owned or kept, and such application shall be accompanied by a fee of one dollar ($1.00) for each male dog or each sprayed female dog, and a fee of two dollars ($2.00) for each unspayed female dog. The said license or fee shall be the only license or tax required for the ownership or keeping of said dog or dogs. Such license shall be issued on a form prepared and suppleid by the County Commissioners. Such license shall be dated and numbered, and shall contain a description of the dog licenses. All licenses shall be void upon the first day of July of the following year. The County Commissioners shall also furnish and the Dog Constable for the said District-issuing the license, shall issue, with each license, a metal tag. Such tag shall be affixed to a substantial collar. The collar shall be furnished by the owner, and with the tag attached shall at all times be kept on the dog for which the license is issued, except when confined in the kennel or when hunting in charge of an attendant. Each Dog Constable appointed by the County Commissioners shall enroll all dogs, and their owners or keepers, in their respective Districts, and report the same to the County Commissioners on or before July 15th of each year.

Whenever the Dog Constable shall find a dog without an owner or keeper, it shall be his duty to kill said dog in the presence of one witness, for which he is to receive fifty cents from the County Commissioners for each dog killed.

It shall be the duty of the Dog Constables to report to the County Commissioners at the end of each week the number of licenses sold, and to whom.

91-A. The County Commissioners of Kent County shall prepare, and furnish annually to the Dog Constables of each District, metal tags to be given to the owners of dogs when such owners shall pay the license fee for said dogs. Such tags shall be of metal and shall have serial number corresponding with the number on the license issued to said owner, as provided in the preceding section of this Act. Such tags shall also have impressed thereon the calendar year for which such tag is issued, and shall not be more than one inch in length, and shall be equipped with a substantial metal fastening device. The general shape of said tag shall be changed from year to year. If any such tag is lost it shall be replaced by the Dog Constable, upon application by the person to whom the original license was issued, upon production of such license and payment of a fee of twenty-five cents.

91-B. Any Dog Constable, after having received and receipted for necessary blanks and tags, may issue such dog licenses and tags. When a license is issued by the Dog Constable the said Dog Constable may retain as his fee for the issuance of said license, reporting the same, and remitting payment thereof, to the Clerk to the County Commissioners, the sum of twenty-five cents. Such report and remittance shall be made by the Dog Constable at the end of each month; whereupon the Clerk to the County Commissioners shall make a record of, and otherwise treat, said license as though it had been issued from his office, except that he shall also note upon his record the name of the Dog Constable issuing the license. Every Dog Constable shall deliver the book or books from which he had issued licenses, together with the stubs therein properly filled out and showing the name of each licensee, and the number of the license issued to him, to the Clerk to the County Commissioners, before the first day of July of each year.

Any person becoming the owner, after the first day of July of any year, of any dog six months old or over which has not already been licensed, or any person owning or keeping a dog which became six months old at any time after the first day of July of any year, shall forthwith apply for and secure a license for such dog in the same manner as the annual license is obtained under the provisions of this sub-title.

91-C. Any person may kill any dog which he sees in the act of pursuing, worrying, wounding or killing any poultry or livestock, or attacking human beings whether or not such dog bears the proper license tag required by these provisions. There shall be no liability on such persons in damages or otherwise for such killing. Any unlicensed dog that enters any field or yard shall constitute a private nuisance and the owner or tenant of such field or yard, or other agent or servant, may kill such dog while it is in the field or yard without liability or responsibility of any nature for such killing and any person may kill a female dog running at large while in heat without liability therefor.

91-D. All monies arising from the dog licenses or taxes shall be kept in a separate fund by the County Commissioners of Kent County, and shall be used for the payment of damages for the injury and killing of sheep, poultry or other live stock in said Kent County. In the event the same are not sufficient for the payment of all such damages the said damages shall be paid in the order the claims are presented, and any person or persons whose claims are not paid in any one year by reason of the lack of money to the credit of the said fund which is to be designated "The Dog License Fund," shall be paid out of the first money coming into the fund after his claim is reached, and shall be paid in the order in which said claims are proved and filed; and any claims now filed and passed upon, but remaining unpaid, shall have preference over any new claims in the order of payment. Any fund in excess of one thousand dollars ($1.000.00) remaining in the hands of the County Commissioners of Kent County, after the payment of the claims as aforesaid, unused for such purpose at the end of each fiscal year, shall be used by said County either for the public schools, or for the public roads, as the Board of County Commissioners of said County may direct.

91-E. When any inhabitant of Kent County shall have any sheep, poultry or livestock destroyed or injured by a dog or dogs, he shall within six hours have the carcass or injured animal viewed by three disinterested persons, and they with the owner appear before the Board of County Commissioners and answer under oath such questions as pertain to the case; and the Commissioners shall award for damages such amount as they may deem fair; which award shall be paid out of the fund hereby created.

The damages awarded for turkeys shall not exceed $1.00 for turkeys one month old, $2.00 for turkeys three months old, $3.00 for turkeys five months old, $4.00 for turkeys seven months old, or over.

The damages awarded for lambs and sheep shall not exceed $1.00 for lambs or sheep one month old, $3.00 for lambs or sheep two months old, $5.00 for lambs or sheep three months old, $6.00 for lambs or sheep six months old or over.

And if the owner of the dog or dogs doing the damage be known, it shall be the duty of the County Commissioners to notify such owner or owners to kill said dog or dogs immediately. If such dog or dogs be killed by the owner, after notice as aforesaid, he shall be exempt from all further liability, but in case the said owner or owners should refuse or neglect to kill said dog or dogs upon notice as aforesaid, the said owner or owners shall be liable to the County Commissioners for said damages to the same extent as he would be liable in case of negligence or malicious destruction of property, and the said County Commissioners may in their discretion have the Dog Constable to kill said dog or dogs.

91-F. Any person violating or refusing to comply with any of the provisions of this Act shall be guilty of a misdemeanor, and upon conviction thereof before any Justice of the Peace of Kent County, or in the Circuit Court of Kent County, shall be fined a sum of not less than five dollars ($5.00) nor more than twenty-five dollars ($25.00) or shall be imprisoned in the county jail for not more than thirty days, or shall be both fined and imprisioned in the discretion of the Court. It shall be the duty of the State's Attorney, the Sheriff and the Consables of Kent County to prosecute all persons found violating the law by refusing to comply with its provisions. All laws or parts of laws, whether public general laws or public local laws, inconsistent with the provisions of this sub-title are hereby repealed to the extent of such inconsistency.

Sec. 2. And be it further enacted, That this Act shall take affect June 1, 1924.

CHAPTER 34

AN ACT to authorize and empower the Commissioners of Millington, Kent County, Maryland, to borrow money on the credit of the Town of Millington, Kent County, Maryland, for the purpose of erecting a building for its fire equipment and other municipal purposes, and to issue bonds for the payment of same and to levy on the assessable property of said town to redeem said bonds and pay the interest on same.

Section 1. Be it enacted by the General Assembly of Maryland, That the Commissioners of Millington be and they are hereby authorized and empowered to issue bonds in the name of the Commissioners of Millington to an amount not exceeding ten thousand ($10,000.00) dollars, in sums not less than one hundred ($100.00) dollars, to be signed by the Commissioners of Millington under the corporate seal of said Commissioners, to be designated as "Millington Building Bonds," bearing interest at a rate to be fixed by the Commissioners of Millington not exceeding six per centum per annum, payable semi-annually on the first day of July and the first day of January of each year; said bonds to be exempt from all State, County and Municipal taxation and the due or overdue coupons for interest on same shall be received by the Commissioners of Millington in payment of town taxes; said bonds shall bear date as of July 1, 1924, and be payable in sums of five hundred ($500.00) dollars in each of the years beginning with the first day of July, 1925, and each year thereafter until fully paid; said bonds to be numbered consecutively, and shall be redeemed in the order in which they are numbered, but said bonds shall be redeemable at the option of the Commissioners of Millington after ten years from the date of issue.

Sec. 2. And be it further enacted, That Said Commissioners of Millington are hereby authorized and directed to advertise at least once a week for four successive weeks in two newspapers published in Kent County and a newspaper published in the City of Baltimore for sealed proposals for the negotiation of said bonds, and on a certain day, to be named in said advertisement, the said Commissioners of Millington shall, in the presence of such person or persons as may be interested in said bonds, open all bids received and award the bonds to the highest bidder, provided no bids less than par shall be accepted and reserving to the Commissioners of Millington the right to reject any and all bids and to readvertise at any time for new bids.

Sec. 3. And be it further enacted That the Commissioners of Millington shall create an annual sinking fund beginning with the year 1924 for the payment of interest and for the redemption of said bonds, and if said sinking fund cannot be made sufficient under the present authorized levy or any future authorized levy to pay the interest on said bonds and the one-twentieth part of said bonded debt as it matures, the said Commissioners of Millington are hereby authorized to levy and collect annually a tax upon the taxable property in the town of Millington a sum sufficient to provide for the payment of any such deficiency of interest on said bonds and for any deficiency on the one-twentieth part of the principal of said bonded debt as the said bonds mature.

Sec. 4. And be it further enacted, That the said sum of ten thousand ($10,000.00) dollars, or so much thereof as may be necessary for the purpose, shall, by the Commissioners of Millington, be used and applied in the erection of a building suitable for the housing of its fire equipment and for other municipal purposes, and if any part of the proceeds of the sale of said bonds be left over after the erection of said building and the payment thereof, the same shall be returned over to the Treasurer of said town to be credited to the sinking fund hereinbefore provided for.

Sec. 5. And be it further enacted, That this Act is hereby declared to be an emergency law and necessary for the immediate preservation of the public safety, and being passed upon a yea and nay vote supported by three-fifths of all the members elected to each of the two Houses of the General Assembly, the same shall take effect from the date of its passage.

Plans to make the Delaware State Fair at Wilmington the biggest and best exhibition of its kind, where the products of the farm may be displayed in a manner that will be likely to open up new markets to the farmers of Delaware and the peninsula, are back of the movement to dispose of $200,000 of additional stock of the Delaware State Fair during the week of May 12. Hundreds of Delawareans under the direction of David Snellenburg, chairman for the campaign, have been lined up as workers in every town and city in the State of Delaware, and from such an army of workers it is expected to put the financial campaign over in a few days, the goal being to interest thousands of citizens of Delaware and the eastern shore of Maryland financially in the Fair.

In speaking of the purpose of the Fair, Chairman Snellenburg said:

"A typical fair is an educational institution which has the opportunity to portray the industrial agricultural, domestic and commercial advancement from year to year of the community which it represents."

In order that supporters of the Fair may know how their money is going to be spent, architects have carefully gone over the Fair grounds and mapped out new buildings, new streets and walks, new parks, permanent lighting, water and sewer arrangements, new trolley and railroad stations, and many conveniences that will make the grounds more attractive and comfortable to the visitor. In brief, the proposed improvements which have been approved by the Board of Directors of the Fair, and many of which will be put into effect this year are as follows:

Exhibition Group.

A separate Boys' and Girls' Club building for all junior exhibits should be built just to the south of the Delaware College building. This should be the largest of the group of the exhibition buildings.

Industrial Group.

Probably the most immediate necessary building on the grounds is a new Industrial Arts Building to adequately house the industrial exhibits of the many and varied manufacturing organizations in the State of Delaware.

An auto show building is the next most desirable building and should be one of the most attractive and desirable show buildings on the grounds. A charge can be made for space in both the Industrial Arts and Auto Show buildings, so that in five years' time they will pay for themselves.

Machinery Hall, a low, open sided building to house farm machinery exhibits is a necessity, and it should open out upon the machinery field.

A present horse show ring and a future coliseum, 150 by 300 feet should be the dominant building in this group, where it can be used not only for horse shows, both day and night, but it can be used for concerts, conventions, large winter exhibition hall, or indoor concerts, indoor athletic events, such as basketball, ice hockey and other indoor sports.

A Delaware State building housing the exhibits of the state department such as highway commissions, state institutions, reformatories, board of education, and penal institutions.

No changes have been recommended for the stock group, with the exception of additional facilities for swine and the building to be used as a judges ring and the entrance from the shuttle train.

The horse show ring should be removed from its present location, because it is strong enough to command a large attendance, regardless of where it may be located; second, it is too far away from the grandstand, and, separate bleachers to surround the show ring would not be feasible and would be unsightly and would be unfair to the Fair guests in the grandstand. Third, with the increased attendance the horse show and the racing should be separated, in order to divide the crowds and thus avoid congestion; fourth, with the present location neither the horse show or the vaudeville platform is located squarely in front of the grandstand. It is recommended the horse show ring be moved directly west of the present exhibition buildings, on well drained land, and west of the low area.

A new trolley entrance should be built, near the old entrance on Wilmington Avenue.

A new entrance at the south end of the grandstand should be built to replace the present entrance.

New bleachers should be built to the south of the grandstand to accommodate approximately 2000 persons. Eventually bleachers should be built to the north of the grandstand.

A cooling paddock or barn, should be built near the race track, to house those horses which are to appear on the racing program of the afternoon.

A public safety building for fire, police and first-aid station should be built northwest of the track, near Linden Avenue, in order to give ready access for fire truck, police or hospital ambulance, from the Fair to New Avenue.

Dining halls are recommended in this area which should be thoroughly equipped with water, sewer, gas and lights. The interior plan of these halls should be so arranged as to be easily divided into a number of separate dining rooms and kitchens, which can be let out as separate concessions to churches, lodges, or fraternal organizations and made available for other uses during the year.
