FISHING FOR BASS

Senate Bill 86, which on June 1st, 1924, will become Chapter 340, provides for an open season on all species of trout at points above tide water between the first day of April and the first day of July and on all small-mouth bass and pike, July 1st to December 1st. This law applies to all points in the State of Maryland above tide water, which. of course, will include all mill-ponds and lakes, wherein the tide does not ebb and flow, therefore, take due notice that on and after July 1st, the season for the catching of trout will be closed and the season for the catching of bass will not open until July 1st this year.

Telephone Switch-Board In Operation

Superintendent Robert Harris exhibited this week at the college, Lyceum and other places a minature switch-board in full operation. The entire outfit as seen in a large telephone exchange was produced in minature form and every detail encountered in the large station was shown. Many reasons why the subscriber fails to get the best of service were thoroughly explained. An operator who spends her time at the switch-board was taken from her work long enough to come to Chestertown and demonstrate how the board is operated.

It was indeed interesting. A real telephone was connected with the switch-board, and Miss M. Garritee, of Baltimore, the switch-board operator who was taken from her regular work to come here and assist in the demonstration, operated the board while two men, one on each end of the line, carried on a conversation. The operator showed how the connection was made, how readily a mistake caused annoyance to the operator as well as to the subscriber, and in many other ways much information was shown. Pictures and object lessons seem to have a more lasting impression on the mind than mere words. This being true, it was readily seen by those present how the telephone operator has a very busy time of it, and also how little the public appreciates the service they give for so little money.

Benj. Hessey, driver of one of Shallcross' trucks, while enroute to Chestertown on Monday was picked up by one of the motor cops and fined something over $12 for being overloaded.

GALENA ITEMS

Wm. Starr, who has been visiting relatives at Dagsboro, returned home on Tuesday.

A large number of people from town went to Chestertown for Field Day exercises.

Mr. and Mrs. Barnard Jones and little daughter, Emily Louise, of Wilmington, spent the week-end in town.

Jack Sutton, of Philadelphia, spent a part of the week with friends in town.

Misses Lourine Woodall and Thelma Jones were in Wilmington Tuesday.

Mrs. James Hicks, who has been quite sick is much better at this time.

Mrs. Arnold Stewart, of Wilmington, who has been spending sometime with her mother, Mrs. James Hicks, has returned to her home at Wilmington.

Mrs. Mary E. Smith, of Wilmington, visited in town on Wednesday.

Master Fred Justice has had a very sore face from being struck with a ball while playing at school.

Mrs. Ariminta Woodall, who was operated on Friday at Dr. J. J. Jones Hospital, Wilmington, is very ill at this time.

Granville McCauley and family, of Price's, spent the week-end in town.

Miss Vera Whitaker has returned from a week's visit with relatives in Baltimore.

The M. E. Church was beautifully decorated for Mothers' Day and the choir had several special selections. The pastor preached on "Old Time Mothers," text 2 Samuel, 21:10.

Capt. Edward W. Emory, chairman of the Asparagus Committee of the Chestertown Business Men's Association, has arranged with the State Public Service Commission for permission to run a large truck from Chestertown to Middletown during the asparagus shipping season to connect with the Eastern Shore express to be run over the Delaware road for the accommodation of the shippers. This will enable the growers here to reach the early morning markets in Wilmington, Chester, Philadelphia and New York. Stops will be made at Kennedyville, Locust Grove, Galena, Georgetown and Fredericktown.

The contract for completing the Chestertown-Pomona State road has been awarded to the Old Line Construction Co. of Chestertown, whose bid was $32,805. The work will begin as soon as the first division of the road is finished.

Seventy Year Old Man Adds His Testimony

George McPhail Gives Tanlac Credit For Keeping Him Strong and Active.

"That I am so hale and hearty at seventy, I attribute to the fine condition Tanlac put me in back in 1922 is the strong tribute paid the famous treatment recently by George McPhail, of 814 Washington Boulevard Baltimore, Md.

"Two years before I took Tanlac I began to suffer from indigestio and it soon had me where I hated t eat anything. The lightest kind meal would cause terrible gas pains bloating, palpitation and shortness breath. I also had awful headaches was extremely pale and nervous couldn't sleep right, and got so weak and run-down that even a short walk would come pretty near exhausting me.

"I tried treatment after treatment without getting a particle of relief, but Tanlac knocked out my troubles completely and put me to eating everything, sleeping fine and feeling better than in years. Tanlac is in a class by itself."

Tanlac is for sale by all good druggists. Accept no substitute. Over 40 million bottles sold.

Tanlac Vegetable Pills for Constipation. Made and recommended by the manufacturers of Tanlac.

County Agent Notes

Tomato Plant Beds.

The two community tomato plant beds in Kent are progressing in good shape, considering the cold, wet and late spring weather. The bed at Betterton, conducted by Harry Willis, is one-half acre in size, while the bed at Chestertown, conducted by Stanley Sutton, is a little more than an acre. We are not merely growing plants in these beds, but our aim is to have plants of superior quality, from the best seed, fertilized so as to make vigorous, strong, tough plants and to have them ready to go into the field earlier than the average in Kent county and increase the yields per acre. There are still some plants not ordered from the Chestertown plant bed, which are $1.50 per 1000.

Asparagus Field Meeting.

An Asparagus Field Meeting will be held in Cecil county next Thursday, May 22nd, in which a number of the counties of Maryland will participate. The purpose of the field meeting is to visit a number of large commercial asparagus plantings from the seed to the mature beds, also some of the Washington varieties, and see how some of the most successful asparagus growers handle their asparagus.

I feel that Kent growers would be especially interested in the Washington asparagus and at this time. I am going to attend the field meeting with a number of Kent asparaus growers and we will make up the party as follows: Assemble in front of the Court House, Chestertown, at 8.00 a. m. Thursday, May 22nd. Leave Chestertown at 8.10 a. m. for Elkton. Others join the party on the road to Elkton. Those desiring to make the trip, kindly let your County Agent know.

Massey Local Active.

The Massey Farm Bureau Local purchased 91 bushels of the finest seed corn in Maryland, mostly Johnson County White variety. Charles Hemphrey, leader in the corn project, deserves the credit for the activity in this line.

Galena and Rock Hall locals also purchased fine seed corn.

Good seed corn pays.

The Alumni Association of Washington College is compiling a lis tof candidates from various sections of the country for election to the Board of Visitors and Governors of the college. Thirteen hundred tickets have been sent out to the alumni who will vote for members to fill vacancies on the board, the result of which will be announced on June 3.

A meeting of the members of the Volunteer Fire Company was held Tuesday evening to discuss plans which have been formulated for remodeling the interior of Firemen's Hall in order to provide modern quarters for the members of the company and a meeting place for the Chestertown Business Men's Association.

Does It Pay?

GEORGE W. MOORE, of Betterton, took out a policy for $225 in 1907 in the

MUTUAL FIRE INSURANCE CO. of Kent County, Md.

In March, 1924, he canceled this policy and was paid $24.08

He paid in premiums during the 17 years, $34.00. Thus he got insurance for 17 years for only $10.

Every Policy Holder in the KENT MUTUAL Shares in its Profits.
