CHESAPEAKE BAY RACES

July the Fourth has been chosen as the date for the Fourth Annual Chesapeake Bay Championship Workboat Races.

The races which will again decide the fastest sailing craft and the swiftest of the work motor boats that ply the Chesapeake, will be sailed over a trianglar course in Tangier Sound, off Crisfield, Md.

The scene of this year's workboat classic was chosen at a meeting of boat captains who participated in last year's races at Clairborne, at which the Chesapeake Bay Championship Workboat Racing Association was organized to conduct the workboat regattas in future years.

Pennsylvania Railroad Issues An Attractive Seashore Folder.

With a view to familiarizing the public with the attractive features and the development of the many seashore pleasure resorts located along the New Jersey Coast, the Passenger Department of the Pennsylvania Railroad has just issued a profusely illustrated 192-page folder, describing in detail the varied facilities and advantages of all vacation seashore resorts from Long Branch to Cape May.

The folder is a highly artistic specimen of printing and is illustrated with a number of large half-tones, made from original photographs. The text has been carefully written with fidelity to detail, and the folder will prove an illuminating presentation of the attractions of the New Jersey Coast and its facilities for a week-end trip or a pleasurable vacation.

Those who have enjoyed a summer outing at Atlantic City, Asbury Park, Ocean City, Wildwood, Cape May, or any of the other New Jersey Seashore resorts, and those who read this folder will doubtless appreciate the fact that no vacation is wholly complete without a dip in the briny deep.

A free copy of this attractive folder may be had upon request of D. N. Bell, Passenger Traffic Manager Pennsylvania Railroad, Broad Street Station, Philadelphia, Pa.

DECLAMATION CONTEST HELD AT CRUMPTON

Silver medal Declamatory Contest was held in the M. E. Church at Crumpton Tuesday evening, under the auspices of Mrs. Mary E. Chandler, local president of the W. C. T. U., and Mrs. Mary Fennimore Sheppard, the local superintendent. The contestants ranged in age from 10 to 12 years.

The marking of the judges found participants of almost equal ability, though the final count awarded the medal to Elizabeth May Biddle, age 12 years, on her recitation, "The Bulgar."

Mrs. Charles West, county president, presided. Mrs. Jewell delivered the address of welcome.

Music consisted of selections by the Sudlersville quartett. Duet by Miss Blanche and Helen Stack; solo by Miss Eva Fenimore; song by the S. S. Class of Mrs. W. Biddle.

The contestants were: Elva Coleman, Elizabeth Biddle, Evelyn Tweed, Helen Fennimore, William Walls, William Coleman, David Clements and Lucy Joiner.

New Light On Cause of Asthma and Hay Fever

The medical world has been groping about in the dark for years in an effort to find a "cure" for Asthma and Hay Fever.

These two ailments are undoubtedly among the most annoying and troublesome ailments man or woman can have.

During recent years, however, clinical experience has proven the fact that Asthma and Hay Fever have their seat of origin in the nerves that emanate from the spine, and the cure of course lies in correcting the trouble from its source.

For every effect (ailment) there must be a cause, and chiropractic is most successful because it strikes at the very source of trouble and removes the cause, so that the effect (ailment) disappears.

William Bright, of Worton, Kent county, suffered with Asthma for a long time. Medicine only seemed to aggravate the trouble, and he found himself on the decline. A friend who had just been cured of a similar ailment took him to Dr. Dill, the Chiropractor, and after a series of Special Adjustments, he was completely restored to health and is now well and strong and advises all who are sick to try Chiropractic.

If you have been ailing talk to someone who has given Chiropractic a fair trial, and you will hear a story of wonderful recovery.

A history maker— and still the Leader!

THE STUDEBAKER Light-Six—a history maker—the first fine six-cylinder car under 3,000 pounds at a four-cylinder price.

A car with followers, imitators and adapters by the score—but with no rival in quality, popularity or sales volume. It is still the Leader!

A car built to fulfill the ideal of producing the greatest automobile value in the $1,000 field—the car which started the stampede from fours to sixes.

A car with a specially designed offset valve motor of remarkable quietness, economy, freedom from vibration—and with tenacious resourcefulness of power on the hills, the straightaway and the pickup!

A car comfortable, roomy, good-looking, very easy to handle on the road, in traffic or in parking—long-lived, low in first cost and especially low in up-keep costs. The market's one best bargain for the man who wants all the car he can get at about $1,000.

A car that is an investment, not an expense, because it can be bought on very liberal terms, sold or traded in at a very high resale value on a market always ready and waiting for a used Light-Six Studebaker—its popularity and demand as a used car are the most convincing evidence of its goodness as an automobile.
