TEMPTING!

Summer months are tempting months. Inclinations are to throw away dull care to the winds and bask in the sunshine of rest and recreation.

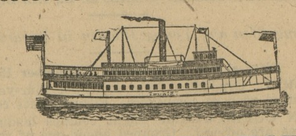

But when chill winds blow—then is realized the wisdom of consistent saving regardless of the seasons.

Summer months should be the big saving months of the year. Expenses are then reduced to the minimum and your saving account should show a healthy growth.

Pleasures—Yes—All that are normal and well within your income. But your opportunity is now here to make this a big year.

If you have no Saving Account this institution will be glad to explain its many advantages.
