21 Years of Service

In the 21 years since its founding, on June 16th, 1903, the Ford Motor Company has contributed largely to the motorizing of modern life. Ten million Ford cars have quickened the pace of business, have brought convenience to day-by-day travel and healthful enjoyment to the American family. Economical manufacture on a large scale makes personal transportation available to all.

## Home Demonstration Notes

The Quaker Neck Women's Club held an outdoor meeting on the lawn at W. O. B. Knight's at Quaker Neck Wharf. About thirty attended the meeting and took part in the clothing program.

The Flatland Women's Club held an interesting meeting on Wednesday night at the home of Mr. and Mrs. A. L. Sutton. The theme of the meeting was Boys' and Girls' Club Work. A number of boys and girls were present and took part in the program.

All who are interested in Girls' Club Work should attend the Fairlee Women's Club on Thursday, July 24. The girls will have charge of the program.

The Kennedpville Women's Club will have a summer outing on July 28th when the club will go to Port Deposit via Betterton. For particulars, call the club officers. The community is invited.

W. R. Ballard, Specialist in Vegetable and Landscape Gardening, is making plans for planting shrubbery at the new school at Still Pond.

Boys' and Girls' Club Week will be held at the University of Maryland from August 7th to 12th inclusive. Apply to the County Home Demonstration Agent for particulars concerning the girls' work.

## AFRAID SHE COULD NOT LIVE

### Operation Advised, But Lydia E. Pinkham's Vegetable Compound Made It Unnecessary

Glasgow, Kentucky. — "I was rundown, nervous, with no appetite. My side had given me trouble for five or six years. At times it was as I could do to live, and the doctor said I couldn't live but a short time longer without an operation. That was two years ago. My sister-in-law recommended Lydia E. Pinkham's Vegetable Compound. She had never used it herself, but she said one of her neighbors suffered just like I did, and it cured her. After I had taken four bottles the pain left my side. I had a fine appetite to eat anything that was put before me, and I began to do all my work and my washing, something I hadn't done for years. I am a dressmaker, and this last fall I began suffering with my side again, so I began taking the Vegetable Compound again. I am on my fourth bottle, which makes eight in all I have taken. I feel so much better when I take it and everybody tells me I look better. My appetite improves and I feel stronger in every way. I am a very nervous woman and it seems to help my nerves so much."—Mrs. MAGGIE WALLER, Glasgow, Ky.

## TRAINING GROUP MEETINGS FOR GIRLS

In order that all girls of the county may have an opportunity to take advantage of Club Work, two group meetings were held at Chestertown on July 10th and 19th respectfully. The purpose of the meeting being to interest girls and women in developing Club Work in every community that can be interested. While most communities are well acquainted with Club Work, an effort will be made to extend the work to any community that asks for the work.

As a result of the last all-day meeting ten girls completed a dress and a number of these girls made the second dress. These girls will be able to assist in putting on similar work in their own communities.

Aside from the actual work accomplished at these meetings, Miss Hill took time to emphasize the great need today for being well dressed. She said in part that never were clothes of so much importance as today. She told the girls it was not only their duty to dress attractively, but for the sake of health, self-expression, and even business reasons, they should be well dressed. Many girls with fine characters often neglect to inform themselves along this line. Girls who express character in their dress are many times given an opportunity to do something worthwhile instead of the extremely dressed girl who has given no thought to her clothes.

Miss Blanche Lockwood, County Health Nurse, addressed the girls at the second meeting. Miss Lockwood urged the girls to make use of every opportunity they have in Club Work to gain information in regard to food and clothing and personal hygiene, that will help them look well and be well, as only the people who are well are able to do good work. She also gave excellent advise in regard to health habits that affect not only the individual but the community as well. tion in the care of the sewing machine and short cuts in using machine attachments.

Miss Dorothy Emerson, State Girls' Club Leader, attended the meeting and had charge of the recreation hour.

At the close of the meeting on Saturday, W. H. Truslow took the girls down the river in his high powered motor boat. For the girls this was a great surprise, as they knew nothing of the trip until after the meeting had adjourned. The girls will never forget this fine trip.

The first local meeting to be held will be at Fairlee on Thursday in co-operation with the Fairlee Women's Club. The girls will have charge of the meeting. Watch the paper for similar meetings in other communities.

All those interested in forming a Girls' Club for 1924 and 1925, please get in touch with Miss Susan V. Hill, County Health Home Demonstration Agent not later than August 15th, 1924.

### During Panic On Boat Many Jump Overboard

One girl is believed to have been drowned, a man was injured, several men and women jumped overboard, and 500 passengers of the Negro excursion steamer Starlight were thrown into a panic Sunday when a bucket in the side wheel of the vessel broke and sprayed water over the top deck, giving rise to the belief the steamer was sinking. The captain and the crew pacified the passengers and lowered a life boat which picked up the persons struggling in the water.
