We are presenting to the public the difference between the deposits in the various Banks on DECEMBER 31st, 1923, and JUNE 30th, 1924. In this period of time the following figures sworn to show that every Bank in Kent County is the past six months lost in deposits except the CITIZENS BANK OF CHESTERTOWN and THE THIRD NATIONAL BANK. This is the answer to "Pooh! Pooh! that little Bank won't be in eristence two or three years from now!"

THE THIRD NATIONAL BANK on Dec. 31st, 1923, had on deposit	$1,327,155.64
THE THIRD NATIONAL BAND on June 40th, 1924, had on deposit	1,346,564.13
GAIN IN DEPOSITS IN SIX MONTHS	19,408.49
THE CHESTERTOWN BANK on Dec. 31st, 1923, had on deposit	891,957.30
THE CHESTERTOWN BANK on June 30th, 1924, had on deposit	823,713.28
LOSS IN DEPOSITS IN SIX MONTHS	68,244.02
THE KENT COUNTY SAVINGS BANK on Dec. 31st, 1923, had on deposit	767,582.09
THE KENT COUNTY SAVINGS BANK on June 30th, 1924, had on deposit	754,349.91
LOSS IN DEPOSITS IN SIX MONTHS	13,232.18
THE PEOPLE'S BANK on Dec. 31st, 1923, had on deposit	519,329.52
THE PEOPLES BANK on June 31st, 1924, had on deposit	516,972.29
LOSS IN DEPOSITS IN SIX MONTHS	2,357.23
THE MILLINGTON BANK on Dec. 31st, 1923, had on deposit	174,052.22
THE MILLINGTON BANK on June 30th, 1924, had on deposit	166,829.52
LOSS IN DEPOSITS IN SIX MONTHS	7,222.70
THE CITIZENS BANK on Dec. 31st, 1923, had on deposit	187,319.06
THE CITIZENS BANK on June 30th, 1924, had on deposit	220,940.69
GAIN IN DEPOSITS IN SIX MONTHS	33,621.63

These figures will show that in six months the Citizens Bank led the list of increases $33,621.62. The Third National Bank followed with an increase in deposits of $19,408.49. The other Banks all lost in deposits.

WHAT DOES THIS MEAN? It means the Citizens Bank understands banking and the people in the County place implicit trust and confidence in the management of the Bank. COME IN. BE ONE OF US.

Orders Speedometers for Trucks.

A new order just issued by the Public Service Commission provides that all motor trucks licensed to carry freight over fixed routes must be provided with speedometers. The order was issued upon the request of Motor Vehicle Commissioner Baughman. He reported to the commission that many trucks operating as common carriers had been stopped for speeding and, as they were not equipped with speedometers, the drivers claimed they did not realize they were exceeding the speed limit. The commission last spring ordered all passenger buses to be equipped with speedometers.

Queen Anne's Milk Cooling Station To Remain In Operation.

Queen Anne's dairymen were greatly encouraged last week when definite news was received that the Dolfinger Company had determined to continue the operation of their plant in the town of Queen Anne.

Three dairymen, representing the milk interests of the Queen Anne vicinity, were in Philadelphia Tuesday afternoon, and in a conference with the Dolfinger Company were assured the plant would be kept open, and the regular association price for milk maintained.

Last week orders were issued to close the plant. Later these instructions were cancelled, and it is now reasonably certain that a market for $10,444 worth of milk a month is assured.

PHONE CO. GROWS ON THIS PENINSULA

The telephone company every few years makes a survey of its serving territory with a view of anticipating the needs and growth. This was done several years ago and the figures arrived at have since been actually verified.

Within the past few days another survey has been made which shows the Telephone Company considers Easton the metropolis of the Shore from Talbot up to the Pennsylvania line. The figures are interesting.

At the present time there are 830 stations on the Easton central and the population served by that office is placed at 11,650, and the per cent of increase over the past year in phone stations is 4½, and the number of phones per 100 of population is 6.9.

Compared with Chestertown the next highest, the business at Easton is shown in its full extent. Chestertown has 716 stations, and it serves a population of 5,650. By 1930 it is estimated this town will have 785 stations and a population of 5,800, while Easton in 1930 will have 1014 stations and a population of 12,000, the per cent of growth being 3.6.

Centreville has 395 phones now and a population served by that exchange of 10,150. In 1930 it is estimated it will have 447 stations.

Denton has 250 stations and a population of 4,125 served by its central office. In 1930 Easton will have more phones than Denton and Centreville and half as much as Chestertown.—Star-Democrat.

Bearded, Bald-Headed Women Seen as Result of Bobbing

Bobbed hair, if persisted in for several generations, will evolve a race of bearded women, according to Charles Nestle, of New York, vice-president of the Wholesale Beauty Trade Association, in an address before the associations, convention which opened today. He said:

"Bobbed hair today, bearded women tomorrow. The great-granddaughters of the bobbed-haired beauties of the present will be able to twirl jaunty mustaches and trim their beards a la Van Dyke.

"Baldness will become as common among them as among men. In every human being is a chemical laboratory that is constantly manufacturing hair. If the hair is not permitted to grow on the head it will grow on the face and the body.

"Savage men who never cut their hair have meager beards. Men of races that have cut their hair regularly at the barber's are hairy chested and hairy limbed."

John D. Urie, Attorney.

ORDER NISI

In the matter of the Trust Estate of Frank A. Hurlock

In the Circuit Court for Kent County In Equity, No. 2284.

Ordered, this 9th day of Sept., 1924, by the Circuit Court for Kent County in Equity, that the sale of the Personal Property mentioned in these proceedings made and reported by John D. Urie, Trustee, under and by virtue of an order of the Circuit Court for Kent County be ratified and confirmed, unless cause to the contrary thereof be shown on or before the 13th day of October next; provided, a copy of this order be inserted in some newspaper printed and published in Kent county, once in each of two successive weeks before the 29th day of September next.

The report states the amount of sales to be $3,202.00.

LOUISE ROUNDS OUT 60 YEARS ON THE BAY

Threescore years of continuous service as an excursion boat will be rounded out by the famous old Louise of the Tolchester Line when she is tied up for the winter the latter part of this month. She is the veteran of all steam craft on the bay.

Despite the fact that she has been carrying excursionists since the Civil War, the Louise is today a better craft than she has ever been. Her passenger capacity is larger than any vessel operating out of Baltimore, 2,000 passengers being crowded on her four decks on many trips down the bay this summer.

During the summer the old Louise made over 200 trips to Tolchester and carried in excess of 100,000 passengers, or far more than any of her younger sister craft on the bay. And she was the most reliable of the excursion fleet, all her trips being made on schedule time.

Therefore, her owners believe that she has earned a well-deserved rest this winter and will not place her in any of their runs after the close of Tolchester.

The Louise was built in Wilmington, Del., in 1864,and was used for several years as an excursion and passenger boat on the Hudson river. She was later brought to Baltimore and for the greater part of her life has plied the Chesapeake.

Those who traveled aboard the Louise when she first made her trips down the bay would hardly recognize the gallant little steamer now, for there is hardly a bolt or a screw left of her former self when she was constructed in Wilmington. As the years have gone by she has been completely made over, new hull, new engines and new superstructure being added. The only thing that is left of her former self is her name.

Oysters Bring 50 Cents Bushel

The oyster tonging season opened in Kent county waters on Monday, and bivalves were bringing fifty cents a bushel at the packing houses. Several new plants have been opened this season, and oystermen are reported to have made greater preparations than ever before for a busy and prosperous season. Oysters are reported in splendid condition, and the outlook is decidedly encouraging for a profitable season.
