For several years Mr. Chas. Devenish, of Barclay, Md., suffered the excruiating torments of neuritis. He tried nearly everything without obtaining relief. "Nobody knows what neuritis is "said Mr. Devenish, except those who suffer with it. "Just before I was about to give up hope (I felt desperate), and was urged to see Dr. Dill, The Chiropractor, in Chestertown. I did and after taking his spinal adjustments for 3 months, my neuritis banished, and I haven't had a paid or ache since. "I will never forget Dr. Dill," he said.

Sick Headache Banished

One of the most unnecessary things in this world according to Miss Ola Chilcutt, of Chestertown, is a sick headache. Miss Chilcutt suffered with them for years, so violent were they that she had to be in bed all the time when they came on. Last spring Miss Chilcutt went to see Dr. Dill, in Chestertown, who located her trouble in the ceroical nerves that run from the neck to the head. After a course of spinal adjustments the headaches ceased and Miss Chilcutt certainly does not miss them.

Ulcerated Stomach Healed

Edward Penn, who works for Mr. T. W. Addington, suffered for years with an ulcerated stomach. Blood came from his stomach in large quantities. Everything he ate disagreed. He was brought to Dr. Dill and after 21 spinal adjustments he was cured and since last February has had no trouble with his stomach. He urges all who suffer with stomach trouble to call on Dr. Dill.
