FOR CONGRESS

T. ALAN GOLDSBOROUGH

Member of Congress and Candidate for Re-election.

Letters received by Mr. Goldsborough from the Governor of the Federal Reserve Board and a member of the Federal Reserve Board, both appointees of the present administration, Mr. Crissinger being formerly Comptroller of the Currency.

FEDERAL RESERVE BOARD
WASHINGTON

June 12, 1924.

My dear Congressman:

I thank you for sending me a copy of your address given as an extension of the remarks of Hon. Eugene Black. I have read the same with much interest, and I think discussions of this kind are bound to bring results.

The many things that have happened in the last three years have been appalling and the losses and sacrifices that have been sustained ought to be appealing to everybody for thoughtful consideration of the great problems that are before us.

Your speech is indeed enlightening. It gives much that I can subscribe to and I am pleased to see that you are giving so much of your time and thought to the great problems. I hope if you should have anything in the future along these lines I may be given a copy.

Assuring you of my appreciation, and again thanking you, I am

Very truly yours,
D. R. Crissinger,
Governor.

Hon. T. Alan Goldsborough,
House of Representatives,
Washington, D.C.

Dear Mr. Goldsborough:

Your courtesy in giving me the opportunity and privilege of reading your address, "Stabilization of Money", is indeed very much appreciated.

Hoping that some time in the near future I may have the pleasure of meeting you personally, I am,

Yours very truly,
Geo. R. James,
Member Federal Reserve Board.

IN MEMORIAM

In loving memory of my dear sister, Gladys Hessey, who died October 27th, 1918.
The month of October again is here,
To me the saddest of the year,
For it was on a sad October day
That my sister passed away.
You will never be forgotten,
Never from my memory fade,
For a sad and loving heart
Will always linger around the grave.
Sister Annie.

Peaceful be thy rest, dear aunt,
'Tis sweet to breathe thy name,
In life we loved you dearly,
In death we do the same.

DOES NOT AFFECT COUNTIES

An appeal to the voters throughout the State, regardless of party affiliation, has been made by leaders of both Democratic and Republican parties to support the proposed Constitutional Amendment pertaining to the State's Attorney's Office for Baltimore City, which will appear on the ballots in the coming election. Endorsement of the proposed Amendment has been announced by Governor Ritchie, Former Governor Phillips Lee Goldsborough, United States Senators Willim Cabell Bruce and Ovington E. Weller and other political leaders, as well as by business and industrial men.

The proposed Amendment, which was authorized by the last legislature subject to the approval of the people, must be voted on throughout the State, although it concerns only the State's Attorney's Office for Baltimore City. This department, for many years, has been struggling under the severs handicap imposed by the old-fashioned fee system. Although handling something like 5000 cases each year and taking care of the demands of a population in excess of 800,000 this important department in many instances has been unable to meet its expenses. On many occasions the State's Attorney and his assistants have been forced to wait some times months for their salary checks. In the present month of October there is a serious shortage of funds, and it may be necessary for Herbert R. O'Connor, the State's Attorney for Baltimore City, to advance from his private funds or borrow money sufficient to meet his current expenses. This is a situation that should not be tolerated, and as pointed out by those who favor it the remedy is at hand in the passage of the proposed Amendment. The passage of this measure will place the burden of defraying the State's Attorney's Office expenditures upon the Mayor and City Council of Baltimore City and will not in any way effect the counties of the State. None of the costs will be borne outside of the City of Baltimore.

CHANCE & KIRBY

GOVERNOR RITCHIE
and
Other Distinguished Citizens
(Both Democratic and Republican)
Urge the Voters of the Entire State to Approve the Proposed Constitutional Amendment Pertaining to the STATE'S ATTORNEY'S OFFICE for BALTIMORE CITY.

I earnestly hope that the proposed Constitutional Amendment, readjusting the financial system of the office of State's Attorney for Baltimore City, will be approved by the voters on November 4th. This proposed amendment, among other things, does away with the fee system, which necessitates the duplication of indictments, with the increased cost which results therefrom, and is otherwise wasteful and undesirable. The salary increases provided for are small when the vast increase in the amount of work which this office does is considered, and the requirement that the State's Attorney's office expenses must be approved by the Supreme Bench is a very proper check and all that is necessary. I sincerely hope that the people of Maryland, regardless of party, will give their support to this measure.

(Democratic) Governor

I endorse the movement for the adoption of the proposed Constitutional Amendment readjusting the financial system of the State's Attorney's office of Baltimore City, and believe that after careful consideration of the Amendment by the voters of the State, they will feel justified in giving it their support.

(Republican) Former Governor

I trust that the proposed amendment to Sec. 9 of Article V of the Constitution of the State of Maryland, relating to the State's Attorney for Baltimore City will be ratified by the voters of the State at the coming election.

(Democratic) U. S. Senator

I heartily endorse the proposed amendment to the Constitution to place the office of the State's Attorney of Baltimore City on a budget basis. The entire expense of the office under the plan will be borne by Baltimore City.

The amendment will be voted on at the coming election and I trust that it will commend itself to the voters of all parties.

(Republican) U. S. Senator

The fee system, under which the State's Attorney's office is compelled to work, is ancient, awkward and expensive. It is the application of ox cart methods in a day of automobiles. In the interest of efficiency and good government such a system ought not to prevail. A vote for the Amendment will cost the Counties nothing.

(Democratic) Former State's Attorney

During my terms of eight years in the State's Attorney's office, I had occasion to see the inherent dangers attendant upon the operation of the fee system in that most important Department of our Government. Such a system, as now prevails, is a relic of the past and has no place in an up-to-date community. I am most firmly of the belief that this proposed amendment is a worthy one and should command the support of voters regardless of party affiliations. The salary increases provided for are small when the great responsibilities assumed by the men in this office are considered.

(Republican) Former State's Attorney

By Authority—Lawyers' Non-Partisan Committee—Edgar Allan Poe, Chairman.

"Dry As The Sahara Desert"

HARRY T. PHOEBUS
Republican Candidate for Congress

Mr. Phoebus voted for the adoption of the National Prohibition Amendment and is as dry as the Sahara Desert. He asks for the support of every dry Democrat and Republican in Kent County to help enforce the Volstead Act. Dr. W. Davis, Secretary of the Lord's Day Alliance of Maryland, says:

Baltimore, Md., Sept. 30, 1924.

Dear Mr. Phoebus:

Your request came while I was away on a week's trip in Western Maryland. Complying with your request I am glad to say the Lord's Day Alliance had no better friend of the Lord's Day in the House of Delegates than you were. From my observation, I would put you down as O. K. on every moral question.

Trusting this brief statement will be of some service to you, I beg to remain,

Very truly yours,
W. W. DAVIS.
