Kent News

SATURDAY, NOVEMBER 8, 1924

We hope now to keep cool with Coolidge, so there will be little "hot stuff" as to why it happened. We can give reasons and so can you.

The sun shone just as bright Wednesday morning as if Davis had been elected.

We told you so alright, but time told differently.

"Ma" Ferguson in Texas, Mrs. Ross in Wyoming, were elected Governors by the Democrats. A lady from New Jersey will sit in the House of Representatives.

Al. Smith was elected Governor of New York by 125,000.

Thank the Lord for such beautiful weather.

Delaware went Republican. The Senate will be Democratic.

LaFollette only carried his home State but he spoiled the chances of Democrats in other States getting over 40,000 votes in Maryland.

Every Democrat in Kent should feel delighted that this county did her duty Tuesday in rolling up a fine majority for the Democratic ticket. Of course there were many who did not vote for many reasons. In the Chestertown district alone there were 400 who stayed away.

The 899 majority for Goldsborough proves that Kent is Democratic. There were no influence, "crumbs" nor anything to sway voters and everyone voted his sentiments. The vote in detail follows:

CARD OF THANKS

We desire to thank the Volunteer Hose Companies and all persons for the excellent service rendered during the fire which destroyed our store and dwelling on Friday morning, Oct. 24.

CARD OF THANKS

COLLEGE NOTES

Harry P. Hopkins, Baltimore architect and the man who designed the present Washington College gymnasium, will be at William Smith Hall on Thursday, November 13. He will speak upon "What Is An Architect." Mr. Hopkins is an exceptionally good speaker, one who will undoubtedly be appreciated. It is expected that quite a large number of the townspeople will be in attendance.

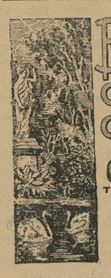

Dr. Paul E. Titsworth made a two day trip down the Eastern Shore as far as Cape Charles, Va., in the interests of Washington College. He accompanied Simon W. Westcott, of Lucas Brothers, of Baltimore. He visited several of the High Schools on the way and delivered a short address to the students in each instance.

Dr. Titsworth and his family will spend the week-end visiting superintendent of schools, M. E. Townsend, at Millville, N. J.

C. A. Clark, operator of the Chestertown woolen mills, is dismantling the mills formerly operated by him at Millington and is bringing the machinery to the Chestertown mills which will shortly employ more labor.

CARD OF THANKS

Mrs. Millicent Ruth and daughter wish to thank relatives and friends for their kindness, sympathy and floral offerings and use of automobiles during their recent bereavement. 1t
